

Storytime Guidelines

1. Every storytime is drop-in and free! Pick up daily entry tickets at the desk.
2. Storytimes are approximately 30 minutes long. Please arrive early—latecomers might not be admitted.
3. To attend most storytimes at the Oak Park Public Library, you must have **an OPPL card**. (See opposite side for our storytimes which are open to nonresidents.)
4. For the Library to present enjoyable and successful programs, we must limit the number of attendees in a storytime. **Due to high demand, we ask that you only attend 1 program each week.**
5. Please keep conversations and distractions to a minimum—snacks, toys and cell phones should be put away.
6. Have fun, sing along, and check out some books to take home!
