To empower every voice in our community

1. Introduction

The Oak Park Public Library Board of Trustees (the Board) requests proposals from interested parties to conduct a search to assist the Board to identify its next Executive Director.

The Oak Park Public Library is on a journey to become an anti-racist organization. Anti-racism is now one of the library's four strategic priorities alongside engagement, learning, and stewardship.

We serve a diverse population in our buildings and out in the Oak Park community. Our vision is to empower every voice in our community, and our mission is to share the information, services, and opportunities that fulfill Oak Park's aspirations.

Oak Park, adjacent to the western border of Chicago, is a diverse village of approximately 52,000 residents that supports robust community services, including its schools, parks, and libraries. Oak Park's history includes being the birthplace of Ernest Hemingway and the place where Frank Lloyd Wright lived and worked.

The Oak Park Public Library serves its village out of three buildings: the Main Library, the Dole Branch, and the Maze Branch. The library's approved Fiscal Year 2022 budget is \$10.9M. The library currently employs 127 staff members with 95 FTEs.
