# Executive Director's Report

November 2023

## 2023 Highlights, Milestones, Achievements

OPPL rated as a Five Star Library by *Library Journal* for 15 years running. Working with Director of Communications, Jodi Kolo, we created marketing materials and promotional items, including street banners, buttons, stickers, and magnets to make clear to the community that our library service is recognized on a national level, and to instill pride in the staff for the work they do to make the recognition possible.

OPPL nominated for Institute of Museum and Library Services National Medal for Museum and Library Service in the area of diverse collections.

OPPL recipient of the 2023 Oak Park Area Lesbian and Gay Association Founders Award for our "fearless and committed efforts to promote free expression and push back against growing challenges to our freedom to read" and in recognition of the library serving as "a strong ally in your consistent stand for the fundamental rights of LGBTQ+ people to be represented and celebrated, as well as to participate fully and equally in civic life."

Invited by Village Manager Kevin Jackson to the village council meeting to provide a comprehensive presentation of the "why" behind unanimously LBOT approved 8 percent library tax levy.

Working with Jodi Kolo, Director of Communications to facilitate a Community Open House Celebration of OPPL's 120th year.

Presented Directors' Call with Urban Libraries Council CEO Brooks Rainwater and executive directors from Richmond, VA and Southwestern Oklahoma public libraries on ULC's [Creating Youth Opportunities](#) initiative. This program explores the role of libraries in supporting young people at risk of incarceration, and the authentic youth engagement required in doing this work effectively.

Served as webinar presenter for the Urban Library Council: "Civic Engagement in Uncivil Times" Shared with 200+ attendees across the country about our experience partnering with the League of Women Voters to present village candidate forums for the community. Watch the webinar [here](#).

In my first 6 months, I facilitated 14 promotions of current staff, ranging from entry-level to the Leadership Team level. Promotions include 6 BiPOC staff, 8 White staff, with promotions closely mirroring the current staff population percentages by race (46 percent BiPOC/54 percent white), reflecting equity in promotional opportunities across departments. In addition, 11 of 14 promotions were non-MLIS positions, reflecting opportunities for advancement at all levels and not exclusively for MLIS degree librarians.

eNPS Score increased from 33 to 37 within 6 months of my tenure. An NPS score is a gauge of moral and positive engagement within an organization. A score of 10-30 is considered good, and scores approaching 50 are considered excellent, and scores continue to rise during this first year of my leadership.

In the most recent survey of staff:

65 percent of staff report feeling highly valued or at least sometimes valued (31%). 51 percent of staff identify themselves as highly engaged with a great attitude or possessing good engagement and a mostly positive attitude (42%). 82 percent of staff strongly agree, or agree that they are enthusiastic about their jobs. Strongly Agree 34.4%. Agree 48.4%.

At least 55 staff members at all levels and representing all work teams from Facilities to Finance, have attended 76+ paid learning opportunities: training sessions, workshops, seminars, and conferences, including 14 who attended JCLC in St. Petersburg Beach, Florida, and over 30 who attended the ALA Annual Conference in Chicago, many of which were first time attendees.

Awarded tuition grants totaling \$15,420 to 9 staff members. These grants were for staff members to pursue certificates or degrees, such as a Grant Writing Certificate, Bachelor's degree, as well as a MLIS degree.

Received national recognition for workplace excellence: 2023 ALA Sustainability Roundtable Wellness in the Workplace Citation.

<https://www.ala.org/rt/sustainrt/wellness-award>

National recognition for collections: Nominated at ALA Conference by the Institute of Museum and Library Services for the 2024 National Medal for Museum and Library Service in the area of diverse collections and artifacts.

Presented 10 policies for review and update to the Library Board of Trustees for approval. On average, presented at least one policy for trustee review and approval each month.

On June 20, presented a resolution approved by the village council for the Village of Oak Park to become a [Book Sanctuary](#).

Served on the American Library Association Great Stories Club Committee.

Served as American Library Association Councilor-at-Large.

Completed Illinois State Library's Directors University.

Presented "Always Negotiate: Getting the Pay You Deserve" as part of a panel of area directors from Northbrook, Crystal Lake, and St. Charles at the Illinois Library Association Annual Conference in Springfield.

Presented "Competencies for Excelling in Library Work" with other African American library leaders in the Chicagoland area at the invitation of the Chicago chapter of the Black Caucus of American Library Association.

Provided library tours for new and more recent board members in an effort to establish onboarding standards for board members.

Community Listening Sessions- Implemented a series of Listening Sessions to connect with the community in-person and to gather feedback on Older Adult Services, Spaces, and Programs as we plan for future library-wide first steps. Listening Sessions are pop-up focus groups in real time of current active library users. The sessions also provided me an opportunity to collaborate and work with staff that I would otherwise not have the opportunity to engage, which I enjoyed and also found valuable. Sessions took place in April, May, and June at all three library locations, including evenings and weekends.

C4 at Our Libraries- Coordinated first C4 at Our Libraries meeting with Library Directors from neighboring villages of Broadview, River Forest, Forest Park, and Bellwood to discuss potential collaborative opportunities and share efforts in sustainability and eco-responsibility within the context of our public libraries' internal and external operations.

Selected to participate in Urban Library Council's Executive Directors Focus Group along with EDs from Milwaukee, Wisconsin, Richmond, Virginia, Hartford, Connecticut, and additional cities across the country to help shape the next strategic plan under the new CEO, Brooks Rainwater.

Attended reception and recognized in Black History Month Museum in the Idea Box along with other past and present Oak Park Local Village Government "Firsts" as the first African-American Executive Director of Oak Park Public Library.

Invited by Glenna G. Temple, President of Dominican University, to participate in Dominican University's Oak Park/River Forest Advisory Council as a representative of the community in order to assist Dominican with their strategic plan and to deepen engagement with community members. They plan to meet twice a year, once in the fall, and once in the spring on the DU campus.

With staff changes at the helm of the Leadership Team and within the Leadership Team, I invited Life Labs Facilitator Meghan Pickett to provide guidance and insight into the following:

**The Purpose:** For the executive leadership team to gain clarity on their vision/purpose as a team and the "hows" of working together

**The Product:** We created a written purpose statement, established team norms, and agreed-upon methods for navigating norm conflict

**The Personal Benefit:** The group examined clearly defined expectations for how to work together which allows us to engage in the productive conflict & collaboration needed to achieve our goals.

**The Process:** 1) We began with a brief activity to define the leadership team's purpose. 2) From there we reviewed previous team experiences to identify what behaviors are damaging and what behaviors are necessary for establishing trust and collaboration. This allowed us to identify the team's top 5 necessary norms. 3) Finally, to make sure these are actionable, we outlined potential challenges in implementing these norms and agreed-upon strategies to address norm-breaking behaviors.

Working with Matt Bartodziej, Director of Facilities, met with a vendor to narrow upgrade selections to continue with refresh plans for the Scoville Room.

Participated in RAILS Support and Bomb Threats Discussion to share strategies and experiences with RAILS and other library directors throughout the state.

Worked with Human Resources/Finance Director Billy Treece and Ginger Slade, Staff Learning & Well-Being Specialist to bring individual and group counseling and therapy dogs to help staff address the trauma of the library receiving multiple bomb threats.

Respectfully submitted,

*Joslyn Bowling Dixon*

## 2023 Pop-Up Shop Summary

January 5, 2024

To test the viability of hosting an onsite retail shop as a means for generating additional revenue, the library's first "Pop-Up Shop" opened in late November in the Main Library Lobby. A collaborative initiative between Communications, Finance, and Patron Services, the shop offered eight uniquely branded items in multiple sizes and colors. Through December, a total of 365 items were sold, generating \$7,800 in gross revenue. Related:

- Start-up costs came from donated funds, not library operating revenue
- While every item in every size and color sold at least once, mugs were the most popular and onesies were the least popular.
- Zippered hoodies generated the most gross revenue.

<b>Most Items Sold</b>	
Mugs	123
Hoodies, Pullover	57
Hoodies, Zipped	46
ALFE shirts	47
120 shirts	28
Totes	26
Hats & scarves	23

	<b>365</b>
<b>Gross Revenue</b>	
Hoodies, Zipped	\$1,875.00
Hoodies, Pullover	\$1,745.00
Mugs	\$1,230.00

ALFE shirts	\$955.00

Hats & scarves	\$475.00
Totes	\$650.00
Onesies	\$300.00
	<b>\$7,800.00</b>

During January, the shop will continue to sell items in person at the Main Library only. The library expects to apply what it has learned through its first two-month effort to amended plans for a second pop-up shop later this spring—coinciding with the launch of summer reading. New and existing merchandise will be available, and online transactions may become an option. For all of 2024, the library has a goal of generating \$20,000 in retail sales.

New Cardholder Retention

The percentage of new cardholders who signed up 12-24 months prior to the end of a given quarter who are still active users (i.e., have used their library card within the last 12 months)

Market Penetration

The percentage of active households (i.e., households containing at least one active user) in the library's service area

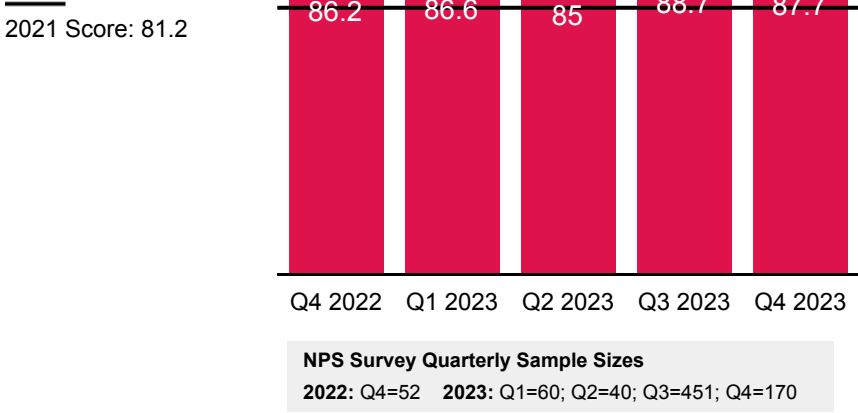

Net Promoter Score

A metric used to measure customer satisfaction and loyalty as well as predict future growth. The score is derived from responses to the following question:

On a scale from 0 (not at all likely) to 10 (very likely), how likely are you to recommend the library to others?

The NPS can range from -100 to 100. For reference, a positive score is Good, above 50 is Excellent, and above 70 is considered World Class.

# Core Use Statistics: 2021-2023

The charts below summarize historical data for the Oak Park Public Library's twelve Core Use Statistics, which speak to patron access to and use of key library resources. For each statistic, you will see available data for 2021 through 2023, displayed in four ways: **1)** a line graph showing the monthly average for that statistic each year; **2)** a bar chart showing the annual total for each year; **3)** a scorecard displaying the percent change comparing the 2023 annual total to the 2021-2022 average; and **4)** a scorecard displaying the percent change comparing the 2023 annual total to 2019, for insight about change compared to pre-pandemic usage. In the scorecards, negative percentages indicate a decrease in 2023 and positive percentages indicate an increase.

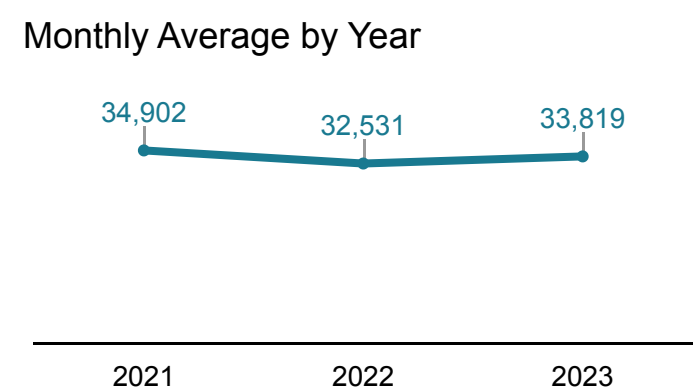

(**NOTE:** In this report, 2020 data has been excluded, given that access to and use of library services was particularly abnormal this year due to the COVID-19 pandemic. For historical data that includes 2020, please see the following report: [Core Use Statistics \(2015-2020\)](#).)

### Data Definitions, Sources, & Notes:

**Building Visits:** The number of patron visits to a library building. All data tracked using SenSource door counter system and associated online reporting interface.

**Website Users:** The number of people who initiated at least one session on [oppl.org](#) during a given time period. All data tracked using Google Analytics. Annual totals include unique users who initiated at least one session on the website during the entire 12-month period January 1-December 31; this count provides a truer estimate of unique users on the website for that time period. Thus, the annual totals above are not simply the sum of each monthly total (405,832). Monthly averages were calculated by taking the average of individual monthly website user counts (i.e., unique users who initiated at least one website session during a particular month only). Thus, the average monthly website users each year is not simply the annual total divided by 12 months. Due to data loss, the number of website users in March-December 2023 was estimated.

**New User Accounts:** The number of new account registrations, for both library cards and digital-only accounts. All data tracked using BLUEcloud Analytics.

**Physical Material Use:** The number of checkouts plus renewals made at an Oak Park library location. All data tracked using BLUEcloud Analytics.

**Digital Material Use:** The number of materials downloaded or streamed from Oak Park library digital collections. All data pulled from vendor reports monthly.

**Online Resource Use:** The number of sessions (logins) for online resources, based on vendor statistics. This includes both in-library and, where applicable, remote access. All data pulled from vendor reports monthly.

**WiFi Use:** The number of unique daily WiFi clients at an Oak Park library location. All data 2021-2023 tracked using Meraki dashboard. Pre-2020 data not available monthly. In 2019, we reported via IPLAR an average of the counts from 2018 and 2017, as the 2019 data was not accessible due to the manner in which it had been tracked previously (daily emails sent from Aerhive to the former Data Analyst who left the library in Q1 2019).

**Public Computer Use:** The number of PC sessions at an Oak Park library location. All data 2021-2023 tracked using My PC. Pre-2020 data not available monthly. In 2019, the annual count we reported via IPLAR for public computer use was, in part, an estimation, due to approximately one month of missing data and missing guest pass usage data for the year. In 2021, computers were not available for public use January-February due to the COVID-19 pandemic; thus, the monthly average and annual total for 2021 shown above reflect only March-December data.

**Program Attendance:** The number of attendees at programs held inside an Oak Park library location. In June 2020, staff began tracking program attendance using a Google Form. Prior to June 2020, attendance was recorded in Evanced.

**Community Outreach:** The estimated interactions from all Outreach and Book Bike events. Outreach and Book Bike data has been tracked via Google Form since the 2019 and 2017 seasons, respectively.

**Meeting Room Use:** The number of Oak Park library physical and virtual meeting room reservations made by community members. Pre-September 2021, data was tracked using Evanced; all data September 2021 onward tracked using Library Calendar. Data not provided above for 2021, given that physical meeting rooms were not available for public use for the majority of the year (January through mid-September) due to the COVID-19 pandemic.

**Study Room Use:** The number of Oak Park library study room reservations made by community members. Pre-September 2021, data was tracked using Evanced; all data September 2021 onward tracked using Library Calendar. Data not provided above for 2021, given that study rooms were not available for public use for half of the year (January-June) due to the COVID-19 pandemic.

## NUMBER OF PROGRAMS

2023 2022

While the number of programs offered in March was similar to the monthly average for 2023 (117), we saw a big jump in total program attendance this month compared to the prior two months. See the next page for attendance details.

Despite offering a number of programs that was on par with the 2023 monthly average (and greater than the number of programs offered in 2022), we saw a lower volume of program attendance this month compared to the 2023 average (and approximately the same total attendance as seen in June 2022). See the next page for attendance details.

Mirroring the previous year, we offered the fewest number of programs during the month of December in 2023. Still, we saw greater total attendance this month than we did in both June and July. See the next page for attendance details.

	2023	2022
ANNUAL TOTAL	1,401	906
MONTHLY AVERAGE	117	76
HIGHEST VOLUME MONTH	OCT	OCT
LOWEST VOLUME MONTH	DEC	JAN

## PROGRAM ATTENDANCE

The names of the most well-attended programs each month and their attendance counts are provided in the chart notes below.

## EQUITY/ANTI-RACISM & MULTICULTURAL PROGRAMS

Percentage of all 2023 programs tagged as “Equity/Anti-Racism” and/or “Multicultural”

### 2023 Equity/Anti-Racism & Multicultural Programs by Audience

**NOTE:** Many library programs welcome participants from more than one age group. As such, a single program may be represented in multiple categories in the chart above, meaning that the numbers above will sum to a value that is greater than the total number of programs (271).

### REVENUE

The second installment of the 2022 property tax due date in Cook County was extended to December 1, 2023. This extension means the tax distribution typically received by the library at the beginning of the fourth quarter will be delayed to the end of the fourth quarter. Management will watch closely for potential issues arising from delayed distributions in FY 2023.

Corp. Property Replacement Tax Revenue year-to-date revenue of \$352,354 is anticipated to increase by \$63,365 when the October receivable is collected.

Interest income continues to increase as the Illinois Funds' average daily yield rates remain stable above 5%. It is anticipated that the library will continue to see growth in interest income due to a negotiated rate increase with Byline checking and Analysis accounts; the rate increased from 0.25% to 1.5%. Illinois Fund interest rate and Byline rate increase generated \$16,295 in revenue in October.

Parking lot revenue of \$22,064 YTD continues to increase, exceeding the \$8,000 budget by \$14,064 or 276%. The revenue pays for the services and upkeep of the parking garage and gates. It is anticipated to experience significant growth for the year.

**TOTAL REVENUE YTD: 83 %**

**EXPENDITURES**

Total disbursements: **\$1,005,002**

The total people expenditure is 83%, which aligns with the overall YTD budget.

Administration Support is expended at 104% with two months remaining in the fiscal year. The over-expenditure is due to the spending of Barbara Ballinger and Nancy Shea gifts, which were unbudgeted.

Overall, October expenditures at 85% are mostly in line with the budget. Some expenditures and budget line items will continue to be over the budgeted amount while necessary expenditure adjustments have been made by management in other lines.

In October, no significant expenses were incurred that deviated from standard operating expenses. The total YTD operating expenditures of 85% are within 2% of the targeted distribution for this point in the fiscal year.

Total disbursements: **\$997,408**

The total people expenditure is 91%, which aligns with the overall YTD budget.

Administration Support is expended at 117% with two months remaining in the fiscal year. The over-expenditure is due to the spending of Barbara Ballinger and Nancy Shea gifts, which were unbudgeted.

Digital Service expenses, including Subscriptions and Services, which are over the budget for this period, contribute to the YTD expenditures of 106% in Digital Service. The overage is due to two prepaid expenses totaling \$25,325 from FY22 being expensed in FY23.

Other Support Services expenses, which include Telephone/Communications at \$71,734 for November, are at 109% and continue to trend over the expected budget. This trend is based on usage.

Oak Park Public Library is 100% through the fiscal year. The year-to-date (YTD) unaudited financial statement through December 31, 2023, including capital expenditure, reflects a surplus of \$1,986,493. This surplus will be adjusted with the year-end entries, including an adjustment to tax revenue, reducing revenue by \$2,414,896 and offsetting the receivables. The property taxes collected in 2023 were inclusive of FY 2022 year-end receivables booked. YTD revenue totaled \$13,833,079, or 132% of the library's budget, will be reduced to \$11,418,183, or 109%, ending the year with a deficit of \$428,403.

December YTD operating expenditures totaled \$11,071,953, or 100% of the 2023 budget. This amount is in line with the budget.

### REVENUE

In December, we received \$3,204,453 in second installment property taxes.

Corp. Property Replacement Tax Revenue year-to-date revenue of \$479,084 was 219% better than budget.

Parking lot revenue of \$26,506 YTD exceeded the \$8,000 budget by \$18,506 or 231%. The revenue pays for the services and upkeep of the parking garage and gates. Significant growth was anticipated for the year.

Interest income continued to increase as the Illinois Funds' average daily yield rates remained stable above 5%. The library also recognized continual growth in interest income due to a rate increase with Byline Checking and Analysis accounts at 1.5% from .25% and Byline Public Public Fund MM at a rate of 4.5%, which was an increase from the 2% received from a previous account with another bank. Interest was 325% better than budget.

**TOTAL REVENUE YTD: 132 %**

**EXPENDITURES**

Total disbursements: **\$1,015,084**

The total people expenditure is 99%, which aligns with the overall YTD budget.

Administration Support is expended at 123% in the fiscal year. The over-expenditure is due to the spending of Barbara Ballinger and Nancy Shea gifts, which were unbudgeted.

Other Support Services expenses, which include Telephone/Communications, are expended at 112% for the fiscal year. The over-budget amount is based on usage with an unexpected uptick in fax usage and costs.

Overall, December operating expenditures are 100% aligned with the budget. Capital expenditures are 23% under budget.

A LIBRARY  FOR EVERYONE

## Leaves of Absence Policy

Library Board approved August 16, 2005. Revised July 19, 2011. Revised February 22, 2022. Revised January 24, 2023. Revised January 23, 2024.

### Introduction

The Oak Park Public Library recognizes staff members may need to take a leave from work for various reasons during their employment with the library. Therefore, the library provides the following leave of absence options included in this policy to its eligible staff members to use as requested and needed:

- [Bereavement/Compassionate Leave](#)
- [Blood and Organ Donation Leave](#)
- [Family and Medical Leave Act \(FMLA\)](#)
- [Family Military Leave](#)
- [General/Personal Leave](#)
- [Jury and Witness Duty Leave](#)
- [Paid Parental Leave](#)
- [School Visitation Leave](#)
- [Victims' Economic Security and Safety Act \(VESSA\) Leave](#)
- [Voting Leave](#)

**Commented [1]:** Ammeded Bereavement Leave and VESSA Leave per Illinois law updates. Added Blood and Organ Donation Leave per new Illinois law.

**Commented [2]:** Adding per new Illinois law - (820 ILCS 149/) Employee Blood Donation Leave Act.

### Bereavement/Compassionate Leave

#### Family Member Bereavement Leave

The Oak Park Public Library will grant all regular full-time and part-time staff members up to five days of regularly scheduled work hours of paid bereavement/compassionate leave due to the death of an immediate family member to grieve, make arrangements, and/or attend services.

"Immediate family member" is defined as the staff member's child (including stepchild and foster child), legal guardian/ward, spouse, domestic partner, civil union partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, stepparent, and members of your household. Members of your household include those who live with you as their permanent residence.

This policy also allows absence from work due to:

- a miscarriage;
- an unsuccessful round of intrauterine insemination (IUI) or of an assisted reproductive technology procedure such as in vitro fertilization (IVF)
- a failed adoption match or an adoption that is not finalized because it is contested by another party;
- a failed surrogacy agreement;
- a diagnosis that negatively impacts pregnancy or fertility; or
- a stillbirth.

All regular full-time and part-time staff members are entitled to take an additional five days of unpaid leave in the event of the death of an immediate family member. In the event of the death of more than one immediate family member in a 12-month period, an employee is entitled to up to 6 weeks of bereavement leave during that period. (Up to five days will be paid pursuant to this policy). Staff members may use any accrued, unused paid time off to run concurrently with this time. Staff members must complete time off under this policy within 60 days of learning of the need for leave.

#### Child Extended Bereavement Leave

All regular full-time and part-time staff members who have lost a child due to homicide or suicide are eligible for six weeks of bereavement leave. Five days will be paid as detailed in the family member bereavement leave section, and the remaining time will be unpaid.

**Commented [3]:** Adding a section header to help clarify the policy sections.

Staff members may take leave in one continuous period or intermittently in increments of no less than four (4) hours. Leave must be taken within one (1) year after the staff member notifies the library of the loss. This six weeks of leave is the maximum amount of leave an employee may take for the loss of their child due to homicide or suicide. Accordingly, the employee may not seek additional bereavement leave as provided in the family member bereavement leave section.

**Commented [4]:** Effective January 1, 2024, Illinois extended bereavement leave rights from two weeks to six weeks for employers with 50 to 250 employees.

#### Additional Time, Notice, and Documentation

**Deleted:** ¶

Additional paid or unpaid time off for persons not covered by the definition of "immediate family member" may be allowed. The library may require a staff member to provide reasonable documentation in connection with leave taken under this policy. Staff members are requested to provide as much notice of the leave as possible. This policy does not permit a staff member to exceed the amount of leave available under the Family and Medical Leave Act.

#### Returning From Leave

When returning from bereavement leave, staff members are entitled to the position they held when the leave began. If that position has been filled or is no longer available, returning staff members are entitled to an equivalent position with equivalent pay, benefits, and responsibilities.

**Commented [6]:** A section was added to clarify return-to-work expectations.

### Blood and Organ Donation Leave

#### Leave Entitlement

Eligible staff members may take paid leave for up to one hour every 56 days to donate or to attempt to donate blood and up to 10 days in any 12-month period to serve or attempt to serve as a living organ donor.

#### Definitions

"Eligible staff member" means a full-time staff member who has been employed for at least six months and who donates or attempts to donate blood or an organ.

"Blood Donation" means the act of donating blood following the nationally recognized medical standards for blood donation eligibility of the community blood bank as operated by the American Red Cross, America's Blood Centers, the American Association of Blood Banks, or another blood bank.

"Organ Donation" means the act of donating any biological tissue of the human body that may be donated by a living donor (other than blood), including but not limited to, the kidney, liver, lung, pancreas, intestine, bone, and skin or any subpart thereof.

#### Notice, Approval, and Verification Requirement

An eligible staff member is required to give reasonable notice to the library in the event that the staff member chooses to use leave under this policy. A request for leave under this policy must be in writing and must include the day the staff member wishes to use the leave, along with a written statement from the blood bank or medical/transplant facility indicating that the employee has an appointment on the day requested for leave to donate or attempt to donate blood or an organ.

Upon a staff member's return from an approved leave, the staff member will be required to submit a written statement from the blood bank or medical/transplant facility verifying that the employee kept the appointment.

#### Complaint Process

Staff members who believe their leave has been improperly administered under this policy may file a complaint with Human Resources. The complaint will be promptly investigated, and the results of the investigation will be reported to the complaining staff member. If the staff member is unsatisfied with the findings of the investigation, the staff member may appeal the decision to the Executive Director.

**Commented [7]:** Added to comply with (820 ILCS 149/) Employee Blood Donation Leave Act, effective January 1, 2024.

## Family and Medical Leave Act (FMLA)

### Basic Leave Entitlement

Staff members may be eligible to take up to 12 weeks of unpaid family/medical leave within a 12-month period and be restored to the same or an equivalent position upon return provided that the staff member has worked for the library for at least 12 months AND worked at least 1250 hours in the last 12 months. The "12-month period" is measured as a rolling 12-month period measured backward from the date a staff member uses any FMLA leave.

### Reasons for FMLA Leave

If a staff member is eligible, the staff member may take family/medical leave for any of the following reasons: (1) the birth of a child and to care for such child; (2) the placement of a child with the staff member for adoption or foster care; (3) to care for a spouse, son, daughter or parent ("covered family member") with a serious health condition; or (4) because of the staff member's own serious health condition which renders the staff member unable to perform one or more of the essential functions of the staff member's position. Leave for reasons one and two above must be completed within the 12-month period beginning on the date of birth or placement.

### Military Family Leave Entitlement

If a staff member is eligible, the staff member may use the 12-week FMLA leave entitlement to take military family leave. Staff members may use this leave to address certain qualifying exigencies related to the covered active duty or call to covered active duty of a spouse, son, daughter, or parent. Qualifying exigencies may include (1) attending certain military events; (2) arranging for alternative childcare; (3) addressing certain financial and legal arrangements; (4) attending certain counseling sessions; (5) addressing issues related to short-notice deployment; (6) spending time with a covered family member who is resting and recuperating; (7) attending post-deployment briefings; and (8) for certain activities relating to the care of the military member's parent who is incapable of self-care where those activities arise from the military member's covered active duty.

A staff member may also be eligible for up to 26 weeks of leave to care for a covered service member during a single 12-month period if the staff member is the spouse, son, daughter, parent, or next of kin of the covered service member. *This single 12-month period begins with the first day the staff member takes the leave.* A covered service member includes: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (2) a veteran who is undergoing medical treatment, recuperation or therapy for a serious injury or illness and: (i) was a member of the Armed Forces (including a member of the National Guard or Reserves); and (ii) was terminated or released under conditions other than dishonorable within the five-year period before the eligible staff member first takes FMLA military caregiver leave to care for the veteran.

### Improper Use of Leave

Misrepresenting facts in order to be granted FMLA leave is a violation of trust that is subject to disciplinary action, up to and including termination of employment. Staff members may not be granted FMLA leave to gain employment or work elsewhere, including self-employment.

### Notice of Leave

If the FMLA leave is foreseeable, the staff member must give the library at least 30 days' notice following the usual procedure for requesting a leave of absence (notifying the immediate supervisor and human resources). Failure to provide such notice may be grounds for delay of the leave. Where the need for leave is not foreseeable, the staff member is expected to notify the library as soon as practicable and, absent unusual circumstances, follow the library's normal leave procedures (notifying the immediate supervisor

and human resources). When leave is needed for planned medical treatment, staff members should attempt to schedule treatment so as not to unduly disrupt the library's operations.

#### Medical Certification—Leave for Staff Member's Own or a Covered Family Member's Serious Health Condition

If the staff member is requesting leave because of the staff member's own or a family member's serious health condition, the staff member and the relevant health care provider may be required to supply appropriate medical certification. If required, the medical certification must be provided within 15 days after it is requested or as soon as reasonably possible under the circumstances. Failure to provide valid requested medical certification promptly may result in denial of leave until it is provided. The library may also require medical recertification periodically during the leave, and staff members may be required to present a fitness for duty verification upon their return to work following leave for the staff member's own medical condition specifying that the staff member is fit to perform the essential functions of the job.

#### Certification for a Qualifying Exigency

If the staff member is requesting leave because of a qualifying exigency arising out of a covered family member's active duty or call to active duty, the staff member may be required to supply a copy of the covered military family member's active duty orders or other documentation issued by the military indicating that the covered military member is on active duty or call to active duty (including the dates of the active duty service). The library may also request additional information about the leave.

#### Certification for Service Member Family Leave

If a staff member is requesting leave because of the need to care for a covered service member with a serious injury or illness, the library may require the staff member to supply certification completed by an authorized health care provider of the covered service member. In addition, the library may also request additional information about the leave.

#### Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave

If a staff member is requesting leave because of the need to care for a covered veteran with a serious injury or illness, the library may require the staff member to supply certification completed by an authorized health care provider of the covered veteran. In addition, the library may request additional information about the leave.

#### Substitution of Paid Time Off

FMLA leave is unpaid leave. If a staff member requests leave for any FMLA-covered reason, the staff member will be required to use any remaining applicable paid time off. The utilization of this paid leave does not extend the leave period. In addition, if a staff member is eligible for any other paid leaves, such as IMRF disability or workers' compensation, these leaves will also run concurrently with FMLA leave (where appropriate) and will not extend the leave period. When using paid leave in conjunction with FMLA leave, a staff member must comply with the requirements of the applicable paid leave policy.

#### Benefits During Leave

During an approved FMLA leave, the library will maintain the staff member's health benefits as if the staff member continued to remain actively employed, but the staff member must continue to pay their share of the premium. Failure of the staff member to pay their share of the health insurance premium may result in loss of coverage. If the staff member does not return to work after the expiration of the leave, the staff member may be required to reimburse the library for payment of health insurance premiums during the FMLA leave.

During the unpaid portions of FMLA leave, the staff member will not receive pay for holidays. Staff members will not lose employment benefits accrued up to the day on which the unpaid FMLA leave begins.

### Intermittent or Reduced Schedule Leave

In the case of leave taken for a serious health condition, to care for a service member with a serious injury or illness, or because of a qualifying exigency, the leave may be taken intermittently (in separate blocks of time due to a single qualifying reason or health condition) or on a reduced hours basis if necessary. When leave is needed for planned medical treatment, staff members should attempt to schedule treatment so as not to unduly disrupt the library's operations. Furthermore, if intermittent or reduced hours leave is required for planned medical treatment, the library may, in its sole discretion, temporarily transfer the staff member to another job with equivalent pay and benefits that better accommodate that type of leave. If the leave is unpaid, the library will reduce the staff member's pay based on the amount of time actually worked. A fitness-for-duty certification may be required to return from an intermittent absence if reasonable safety concerns exist concerning the staff member's ability to perform their job duties.

### Job Restoration

A staff member who returns to work from an approved FMLA leave of absence is entitled to return to their job or an equivalent position without loss of benefits or pay. A staff member who took leave because of their own serious health condition who wishes to return to work from FMLA leave may be required to present a fitness-for-duty release by a doctor before being restored to employment. A staff member who does not provide the certification will not be permitted to resume work until it is provided.

## Family Military Leave

Eligible staff members may use unpaid family military leave for up to 30 days during the time that a family member's federal or state deployment orders are in effect.

### Definitions

"Eligible Staff Member" means a staff member who has been employed for at least 12 months and who has worked at least 1250 hours during the 12 months preceding the commencement of the leave.

"Family Member" means the staff member's child, grandchild, spouse, or parent who has been called to military service lasting longer than 30 days with the state or the United States pursuant to the orders of the Governor or the President of the United States.

### Use of Time Off

Family military leave is unpaid. If a staff member is granted family military leave, the staff member will be required to use any remaining applicable paid time off. The utilization of this paid leave does not extend the leave period. A staff member's leave under this policy may be reduced by the number of days a staff member takes "exigency leave" under the Family and Medical Leave Act.

### Notice of Leave

The staff member should provide as much notice as is practicable. Where possible, the staff member should attempt to schedule such leave so as not to unduly disrupt library operations.

### Verification

For leaves taken pursuant to this policy, the staff member may be required to submit verification from the proper military authority demonstrating the staff member's eligibility for the leave.

### Benefits During Leave

During an approved family military leave, the staff member may maintain health benefits at the staff member's expense. The taking of leave under this policy will not result in the loss of any employment benefit accrued before the date on which leave commenced.

### Job Restoration

Upon returning from an approved family military leave, the staff member is entitled to return to the same position or to an equivalent position with equal pay, benefits, and other terms and conditions of employment unless such restoration is inappropriate for reasons unrelated to the staff member's family military leave.

### General/Personal Leave

If staff members are ineligible for any other leave of absence, the Oak Park Public Library may grant a general/personal leave of absence without pay. Staff members should submit their request for personal leave to their supervisor and Human Resources before the anticipated start of the leave. If the leave is requested for medical reasons and staff members are not eligible for leave under the federal Family and Medical Leave Act (FMLA) or any state leave law, medical certification may be required.

The general/personal leave request will be considered and evaluated on a number of factors, including anticipated workload requirements, staffing considerations, and the reason for the requested leave.

A general/personal leave of absence may be granted for a period of up to eight (8) weeks. However, a leave may be extended up to four (4) weeks if, prior to the end of the leave, the staff member submits a request for an extension, and the request is granted. The maximum amount of general/personal leave allowed is twelve (12) weeks in a rolling 12-month period measured backward from the date a staff member uses any general/personal leave.

The library will continue insurance coverage during the leave if staff members submit their share of the monthly premium payments to the library in a timely manner. During the unpaid portions of general/personal leave, the staff member will not receive pay for holidays.

When the staff member anticipates returning to work, they should notify their supervisor of the expected return date. This notification should be made at least one week before the end of the leave.

Upon completion of the general/personal leave of absence, the library will attempt to return staff members to their original job or a similar position, subject to prevailing library operation considerations. Reinstatement is not guaranteed.

Failure to advise your supervisor or Human Resources of availability to return to work, failure to return to work when notified, or a continued absence from work beyond the time approved by the library will be considered a voluntary resignation of employment.

### Jury and Witness Duty Leave

The Oak Park Public Library will provide all regular full-time and part-time staff members requested to serve jury duty with the required time off to fulfill their obligation. The library will pay staff members their straight time pay for their regularly scheduled work hours missed for jury service or when subpoenaed to appear before a court, public body, or commission in connection with library business. All staff members may keep whatever compensation is given for their jury service.

In cases where jury duty does not require a full day, staff members are expected to spend as much time as reasonable at their regularly scheduled duties.

Staff members are required to notify their immediate supervisor as soon as possible when they receive a jury duty summons and provide a copy to Human Resources to be eligible for payment. Proof of jury service verifying the dates and times of attendance may be required.

## Paid Parental Leave

The Oak Park Public Library will provide up to eight (8) weeks of paid parental leave to all regular full-time and part-time staff members following the birth of a staff member's child or the placement of a child with a staff member in connection with adoption or foster care. The purpose of paid parental leave is to enable the staff member to care for and bond with a newborn or a newly adopted or newly placed child. This policy will run concurrently with Family and Medical Leave Act (FMLA) leave, as applicable.

### Eligibility

All regular full-time and part-time staff members are eligible for paid parental leave provided they meet one of the following criteria:

- Have given birth to a child.
- Be a spouse or committed partner of a person who has given birth to a child.
- Have adopted a child or been placed with a foster child (in either case, the child must be age 17 or younger).

### Amount, Time Frame, and Duration

Eligible staff members will receive a maximum of eight (8) weeks of paid parental leave per birth, adoption, or placement of a child/children. The fact that a multiple birth, adoption, or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the eight-week total amount of paid parental leave granted for that event.

Paid parental leave is compensated at the staff member's current regular rate of pay based on the staff member's regularly scheduled weekly hours. Paid parental leave will be paid on regularly scheduled pay dates.

Paid parental leave can be taken intermittently but should be taken in full week increments where possible. Approved paid parental leave may be taken at any time during the twelve-month period immediately following the birth, adoption, or placement of a child with the staff member.

Any unused paid parental leave will be forfeited at the end of the twelve-month time frame.

Upon separation of employment, the staff member will not be paid for any unused paid parental leave for which they were eligible.

### Coordination with Other Policies and Benefits

After the paid parental leave is exhausted, the remainder of the leave can be compensated through staff members' applicable paid time off. Upon exhaustion of applicable paid time off, any remaining leave will be unpaid leave. Please refer to the Family and Medical Leave Act (FMLA) policy for further guidance.

The library will maintain all benefits for staff members during the paid parental leave period just as if they were taking any other leave.

If a holiday occurs while the staff member is on paid parental leave, such a day will be charged to holiday pay.

### Notice of Leave

The staff member should provide reasonable notice to their supervisor and Human Resources. The staff member must complete any necessary forms and may be required to provide documentation to substantiate the request.

## School Visitation Leave

The Oak Park Public Library provides all regular full-time and part-time staff members time off for school visitation. Visitation is allowed for staff members to attend educational and/or behavioral conferences or

classroom activities at their children's school when these school visits cannot be scheduled outside of work hours. "Child" means biological, adopted, foster child, or legal ward of a staff member who is enrolled in a primary or secondary school.

Eligible staff members may request up to a total of eight (8) hours of visitation in any school year, with a maximum of four (4) hours on any given day. The staff member must provide reasonable notice to their supervisor when requesting school visitation leave.

School visitation leave is unpaid. Staff members must use applicable paid time off for school visitation leave, if available. Supervisors may allow staff members to make up time for the unpaid school visitation leave. Staff members may be asked to provide their supervisor with written verification of the date, time, and length of the school visitation.

### Victims' Economic Security and Safety Act (VESSA) Leave

The Oak Park Public Library provides all regular full-time and part-time staff members with unpaid victims' economic and security and safety leave for up to 12 weeks in a 12-month period for any one or more of the following reasons:

- Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic, sexual, gender violence or any other crime of violence to the staff member or the staff member's family or household member; or
- Obtaining services from a victim services organization for the staff member or the staff member's family or household member; or
- Obtaining psychological or other counseling for the staff member or the staff member's family or household member; or
- Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the staff member or the staff member's family or household member from future domestic, sexual, gender violence, any other crime of violence, or ensuring economic security; or
- Seeking legal assistance or remedies to ensure the health and safety of the staff member or the staff member's family or household member, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic, sexual, or gender violence or any other crime of violence.

All regular full-time and part-time staff members may use up to two workweeks (10 days) of unpaid VESSA leave for any one or more of the following reasons:

- Attending the funeral or alternative to funeral or wake of a family or household member who is killed in a crime of violence;
- Making arrangements necessitated by the death of a family or household member who is killed in a crime of violence; or
- Grieving the death of a family or household member who is killed in a crime of violence.

Leave for these reasons must be completed within 60 days after the employee receives notice of the death of the victim.

#### Definitions

"12-Month Period" means a rolling 12-month period measured forward from the date leave is taken and continuous with each additional leave day taken.

"Family or Household Member" means a spouse or party to a civil union, parent, grandparent, child, grandchild, sibling, or any other person related by blood or by present or prior marriage or civil union, other person who shares a relationship through a child, or any other individual whose close association with the staff member is the equivalent of a family relationship as determined by the staff member, and persons jointly residing in the same household.

**Commented [8]:** Amendment to Illinois VESSA (signed on July 28, 2023, and effective immediately) provides additional reasons for leave.

"Domestic, Sexual, or Gender Violence" means domestic violence, sexual assault, gender violence, or stalking.

"Crime of Violence" means any conduct proscribed by Articles 9, 11, 12, 26.5, 29D, and 33A of the Criminal Code of 2012 or a similar provision of the Criminal Code of 1961, in addition to certain conduct proscribed by Articles of the Criminal Code of 2012. This term can include sex offenses, assault, harassment and obscene communications, armed violence, and other crimes.

Commented [9]: Per the library attorney, to clarify the definition of Crime of Violence.

#### Intermittent or Reduced Leave

A staff member may take leave intermittently (a few days or a few hours at a time) or on a reduced leave schedule.

#### Substitution of Paid Time Off

A staff member may elect to substitute applicable paid time off for any part of victims' economic security and safety leave. Such substitution will not extend the staff member's total allotment of time off under this policy.

#### Notice of Leave

A staff member should provide as much notice as is practicable to their supervisor and Human Resources when the need for leave becomes known.

#### Certification

For leaves taken pursuant to this policy, the staff member may be required to submit a certification demonstrating the need for the leave. The certification must be provided by the staff member as soon as reasonably possible.

The certification requirement may be satisfied by the submission of a sworn statement from the staff member and one of the following:

- Documentation from a victim services organization, attorney, clergy, or medical or another professional from whom the staff member or the family/household member has sought assistance from in addressing domestic, sexual, gender violence or crime of violence and/or its effects;
- A police or court record;
- A death certificate, published obituary, or written verification of death, burial, or memorial services from a mortuary, funeral home, burial society, crematorium, religious institution, or government agency documenting that a victim was killed in a crime of violence; or
- Other corroborating evidence.

Deleted: or

All documentation related to the staff member's need for the leave pursuant to this policy will be held in strict confidence and will only be disclosed as required by law.

#### Benefits During Leave

During an approved VESSA leave, the library will maintain your health benefits, as if you continued to be actively employed. If paid leave is substituted for unpaid VESSA leave, the library will deduct your portion of the plan premiums as a regular payroll deduction. If your leave is unpaid, you must pay your portion of the premium during the leave. Your group health care coverage may cease if your premium payment is more than 30 days late. If you do not return to work at the end of the leave period, you may be required to reimburse the library for the cost of the premiums paid by the library for maintaining coverage during your unpaid leave, unless you cannot return to work because of the continuation, recurrence, or onset of domestic, sexual, gender violence, crime of violence, or other circumstances beyond your control.

When your need for the leave also qualifies as family/medical leave pursuant to the Family and Medical Leave Act (FMLA), the FMLA leave will run concurrently with leave taken pursuant to this policy, such that the total amount of unpaid leave for which a staff member will be eligible in one year is 12 weeks.

When your need for leave also qualifies for bereavement leave under Illinois' Family Bereavement Leave Act (FBLA), FBLA leave will run concurrently with leave taken pursuant to this policy, such that the total amount of unpaid leave for which an employee will typically be eligible in cases of bereavement is 10 days. However, in such cases, the 10 days of bereavement leave will not be deducted from the staff member's total VESSA allotment of 12 weeks.

**Commented [10]:** A technicality explained as VESSA overlaps with our Bereavement policy.

### Job Restoration

If you wish to return to work at the expiration of your leave, you are entitled to return to your same position or to an equivalent position with equal pay, benefits, and other terms and conditions of employment. If you take leave because of your own medical condition, you are required to provide medical certification that you are fit to resume work. Staff members who do not provide the certification will not be permitted to resume work until it is provided.

### Reasonable Accommodations

The library supports the Victims' Economic Security and Safety Act and will attempt to provide reasonable accommodations for people who are entitled to protection under this Act in a timely fashion unless such accommodations would present an undue hardship for the library.

Reasonable accommodation applies to applicants and staff members and may include adjustment to a job structure, workplace facility, or work requirement, transfer, reassignment, or modified schedule, leave, a changed telephone number or seating assignment, installation of a lock, implementation of a safety procedure or assistance in documenting domestic, sexual, gender violence or crime of violence that occurs at the workplace or in work-related settings, in response to actual or threatened domestic, sexual, gender violence or crime of violence.

A qualified individual is an individual who, but for being a victim of domestic, sexual, gender violence or crime of violence or with a family or household member who is a victim of domestic, sexual, gender violence or crime of violence, can perform the essential functions of the employment position that such individual holds or desires.

Should you wish to request a reasonable accommodation pursuant to this policy, you should contact Human Resources.

### Confidentiality

All information provided to the library pursuant to this policy, including a statement of the staff member or any other documentation, record, or corroborating evidence, and the fact that the staff member has requested or obtained an accommodation pursuant to this policy shall be retained in the strictest confidence by the library, except to the extent that disclosure is (1) requested or consented to in writing by the staff member; or (2) otherwise required by applicable federal or state law.

### Voting Leave

The Oak Park Public Library supports and promotes civic engagement and believes participation in the election process is a critical civic responsibility.

Therefore, all staff members may be permitted two hours of paid leave for the purpose of voting in a local, state, or national election. This leave must be exercised between the opening and closing of the polls and may be used for early voting.

If you need to take time off to vote, you must notify your supervisor of your plans no later than the day before the election. Your supervisor will notify you of the two-hour block of time assigned to you for voting purposes. Proof of attendance at the polls may be required.

# Leaves of Absence Policy

*Library Board approved August 16, 2005. Revised July 19, 2011. Revised February 22, 2022. Revised January 24, 2023. Revised January 23, 2024.*

## Introduction

The Oak Park Public Library recognizes staff members may need to take a leave from work for various reasons during their employment with the library. Therefore, the library provides the following leave of absence options included in this policy to its eligible staff members to use as requested and needed:

- [Bereavement/Compassionate Leave](#)
- [Blood and Organ Donation Leave](#)
- [Family and Medical Leave Act \(FMLA\)](#)
- [Family Military Leave](#)
- [General/Personal Leave](#)
- [Jury and Witness Duty Leave](#)
- [Paid Parental Leave](#)
- [School Visitation Leave](#)
- [Victims' Economic Security and Safety Act \(VESSA\) Leave](#)
- [Voting Leave](#)

## Bereavement/Compassionate Leave

### Family Member Bereavement Leave

The Oak Park Public Library will grant all regular full-time and part-time staff members up to five days of regularly scheduled work hours of paid bereavement/compassionate leave due to the death of an immediate family member to grieve, make arrangements, and/or attend services.

"Immediate family member" is defined as the staff member's child (including stepchild and foster child), legal guardian/ward, spouse, domestic partner, civil union partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, stepparent, and members of your household. Members of your household include those who live with you as their permanent residence.

This policy also allows absence from work due to:

- a miscarriage;
- an unsuccessful round of intrauterine insemination (IUI) or of an assisted reproductive technology procedure such as in vitro fertilization (IVF)
- a failed adoption match or an adoption that is not finalized because it is contested by another party;
- a failed surrogacy agreement;
- a diagnosis that negatively impacts pregnancy or fertility; or
- a stillbirth.

All regular full-time and part-time staff members are entitled to take an additional five days of unpaid leave in the event of the death of an immediate family member. In the event of the death of more than one immediate family member in a 12-month period, an employee is entitled to up to 6 weeks of bereavement leave during that period. (Up to five days will be paid pursuant to this policy). Staff members may use any accrued, unused paid time off to run concurrently with this time. Staff members must complete time off under this policy within 60 days of learning of the need for leave.

## Child Extended Bereavement Leave

All regular full-time and part-time staff members who have lost a child due to homicide or suicide are eligible for six weeks of bereavement leave. Five days will be paid as detailed in the family member bereavement leave section, and the remaining time will be unpaid.

Staff members may take leave in one continuous period or intermittently in increments of no less than four (4) hours. Leave must be taken within one (1) year after the staff member notifies the library of the loss. This six weeks of leave is the maximum amount of leave an employee may take for the loss of their child due to homicide or suicide. Accordingly, the employee may not seek additional bereavement leave as provided in the family member bereavement leave section.

## Additional Time, Notice, and Documentation

Additional paid or unpaid time off for persons not covered by the definition of "immediate family member" may be allowed. The library may require a staff member to provide reasonable documentation in connection with leave taken under this policy. Staff members are requested to provide as much notice of the leave as possible. This policy does not permit a staff member to exceed the amount of leave available under the Family and Medical Leave Act.

## Returning From Leave

When returning from bereavement leave, staff members are entitled to the position they held when the leave began. If that position has been filled or is no longer available, returning staff members are entitled to an equivalent position with equivalent pay, benefits, and responsibilities.

## Blood and Organ Donation Leave

### Leave Entitlement

Eligible staff members may take paid leave for up to one hour every 56 days to donate or to attempt to donate blood and up to 10 days in any 12-month period to serve or attempt to serve as a living organ donor.

### Definitions

"Eligible staff member" means a full-time staff member who has been employed for at least six months and who donates or attempts to donate blood or an organ.

"Blood Donation" means the act of donating blood following the nationally recognized medical standards for blood donation eligibility of the community blood bank as operated by the American Red Cross, America's Blood Centers, the American Association of Blood Banks, or another blood bank.

"Organ Donation" means the act of donating any biological tissue of the human body that may be donated by a living donor (other than blood), including but not limited to, the kidney, liver, lung, pancreas, intestine, bone, and skin or any subpart thereof.

### Notice, Approval, and Verification Requirement

An eligible staff member is required to give reasonable notice to the library in the event that the staff member chooses to use leave under this policy. A request for leave under this policy must be in writing and must include the day the staff member wishes to use the leave, along with a written statement from the blood bank or medical/transplant facility indicating that the employee has an appointment on the day requested for leave to donate or attempt to donate blood or an organ.

Upon a staff member's return from an approved leave, the staff member will be required to submit a written statement from the blood bank or medical/transplant facility verifying that the employee kept the appointment.

## Complaint Process

Staff members who believe their leave has been improperly administered under this policy may file a complaint with Human Resources. The complaint will be promptly investigated, and the results of the investigation will be reported to the complaining staff member. If the staff member is unsatisfied with the findings of the investigation, the staff member may appeal the decision to the Executive Director.

## Family and Medical Leave Act (FMLA)

### Basic Leave Entitlement

Staff members may be eligible to take up to 12 weeks of unpaid family/medical leave within a 12-month period and be restored to the same or an equivalent position upon return provided that the staff member has worked for the library for at least 12 months AND worked at least 1250 hours in the last 12 months. The "12-month period" is measured as a rolling 12-month period measured backward from the date a staff member uses any FMLA leave.

### Reasons for FMLA Leave

If a staff member is eligible, the staff member may take family/medical leave for any of the following reasons: (1) the birth of a child and to care for such child; (2) the placement of a child with the staff member for adoption or foster care; (3) to care for a spouse, son, daughter or parent ("covered family member") with a serious health condition; or (4) because of the staff member's own serious health condition which renders the staff member unable to perform one or more of the essential functions of the staff member's position. Leave for reasons one and two above must be completed within the 12-month period beginning on the date of birth or placement.

### Military Family Leave Entitlement

If a staff member is eligible, the staff member may use the 12-week FMLA leave entitlement to take military family leave. Staff members may use this leave to address certain qualifying exigencies related to the covered active duty or call to covered active duty of a spouse, son, daughter, or parent. Qualifying exigencies may include (1) attending certain military events; (2) arranging for alternative childcare; (3) addressing certain financial and legal arrangements; (4) attending certain counseling sessions; (5) addressing issues related to short-notice deployment; (6) spending time with a covered family member who is resting and recuperating; (7) attending post-deployment briefings; and (8) for certain activities relating to the care of the military member's parent who is incapable of self-care where those activities arise from the military member's covered active duty.

A staff member may also be eligible for up to 26 weeks of leave to care for a covered service member during a single 12-month period if the staff member is the spouse, son, daughter, parent, or next of kin of the covered service member. *This single 12-month period begins with the first day the staff member takes the leave.* A covered service member includes: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or (2) a veteran who is undergoing medical treatment, recuperation or therapy for a serious injury or illness and: (i) was a member of the Armed Forces (including a member of the National Guard or Reserves); and (ii) was terminated or released under conditions other than dishonorable within the five-year period before the eligible staff member first takes FMLA military caregiver leave to care for the veteran.

## Improper Use of Leave

Misrepresenting facts in order to be granted FMLA leave is a violation of trust that is subject to disciplinary action, up to and including termination of employment. Staff members may not be granted FMLA leave to gain employment or work elsewhere, including self-employment.

## Notice of Leave

If the FMLA leave is foreseeable, the staff member must give the library at least 30 days' notice following the usual procedure for requesting a leave of absence (notifying the immediate supervisor and human resources). Failure to provide such notice may be grounds for delay of the leave. Where the need for leave is not foreseeable, the staff member is expected to notify the library as soon as practicable and, absent unusual circumstances, follow the library's normal leave procedures (notifying the immediate supervisor and human resources). When leave is needed for planned medical treatment, staff members should attempt to schedule treatment so as not to unduly disrupt the library's operations.

## Medical Certification—Leave for Staff Member's Own or a Covered Family Member's Serious Health Condition

If the staff member is requesting leave because of the staff member's own or a family member's serious health condition, the staff member and the relevant health care provider may be required to supply appropriate medical certification. If required, the medical certification must be provided within 15 days after it is requested or as soon as reasonably possible under the circumstances. Failure to provide valid requested medical certification promptly may result in denial of leave until it is provided. The library may also require medical recertification periodically during the leave, and staff members may be required to present a fitness for duty verification upon their return to work following leave for the staff member's own medical condition specifying that the staff member is fit to perform the essential functions of the job.

## Certification for a Qualifying Exigency

If the staff member is requesting leave because of a qualifying exigency arising out of a covered family member's active duty or call to active duty, the staff member may be required to supply a copy of the covered military family member's active duty orders or other documentation issued by the military indicating that the covered military member is on active duty or call to active duty (including the dates of the active duty service). The library may also request additional information about the leave.

## Certification for Service Member Family Leave

If a staff member is requesting leave because of the need to care for a covered service member with a serious injury or illness, the library may require the staff member to supply certification completed by an authorized health care provider of the covered service member. In addition, the library may also request additional information about the leave.

## Certification for Serious Injury or Illness of a Veteran for Military Caregiver Leave

If a staff member is requesting leave because of the need to care for a covered veteran with a serious injury or illness, the library may require the staff member to supply certification completed by an authorized health care provider of the covered veteran. In addition, the library may request additional information about the leave.

## Substitution of Paid Time Off

FMLA leave is unpaid leave. If a staff member requests leave for any FMLA-covered reason, the staff member will be required to use any remaining applicable paid time off. The utilization of this paid leave does not extend the leave period. In addition, if a staff member is eligible for any other paid leaves, such as IMRF

disability or workers' compensation, these leaves will also run concurrently with FMLA leave (where appropriate) and will not extend the leave period. When using paid leave in conjunction with FMLA leave, a staff member must comply with the requirements of the applicable paid leave policy.

## Benefits During Leave

During an approved FMLA leave, the library will maintain the staff member's health benefits as if the staff member continued to remain actively employed, but the staff member must continue to pay their share of the premium. Failure of the staff member to pay their share of the health insurance premium may result in loss of coverage. If the staff member does not return to work after the expiration of the leave, the staff member may be required to reimburse the library for payment of health insurance premiums during the FMLA leave.

During the unpaid portions of FMLA leave, the staff member will not receive pay for holidays. Staff members will not lose employment benefits accrued up to the day on which the unpaid FMLA leave begins.

## Intermittent or Reduced Schedule Leave

In the case of leave taken for a serious health condition, to care for a service member with a serious injury or illness, or because of a qualifying exigency, the leave may be taken intermittently (in separate blocks of time due to a single qualifying reason or health condition) or on a reduced hours basis if necessary. When leave is needed for planned medical treatment, staff members should attempt to schedule treatment so as not to unduly disrupt the library's operations. Furthermore, if intermittent or reduced hours leave is required for planned medical treatment, the library may, in its sole discretion, temporarily transfer the staff member to another job with equivalent pay and benefits that better accommodate that type of leave. If the leave is unpaid, the library will reduce the staff member's pay based on the amount of time actually worked. A fitness-for-duty certification may be required to return from an intermittent absence if reasonable safety concerns exist concerning the staff member's ability to perform their job duties.

## Job Restoration

A staff member who returns to work from an approved FMLA leave of absence is entitled to return to their job or an equivalent position without loss of benefits or pay. A staff member who took leave because of their own serious health condition who wishes to return to work from FMLA leave may be required to present a fitness-for-duty release by a doctor before being restored to employment. A staff member who does not provide the certification will not be permitted to resume work until it is provided.

## Family Military Leave

Eligible staff members may use unpaid family military leave for up to 30 days during the time that a family member's federal or state deployment orders are in effect.

### Definitions

"Eligible Staff Member" means a staff member who has been employed for at least 12 months and who has worked at least 1250 hours during the 12 months preceding the commencement of the leave.

"Family Member" means the staff member's child, grandchild, spouse, or parent who has been called to military service lasting longer than 30 days with the state or the United States pursuant to the orders of the Governor or the President of the United States.

### Use of Time Off

Family military leave is unpaid. If a staff member is granted family military leave, the staff member will be required to use any remaining applicable paid time off. The utilization of this paid leave does not extend the

leave period. A staff member's leave under this policy may be reduced by the number of days a staff member takes "exigency leave" under the Family and Medical Leave Act.

### Notice of Leave

The staff member should provide as much notice as is practicable. Where possible, the staff member should attempt to schedule such leave so as not to unduly disrupt library operations.

### Verification

For leaves taken pursuant to this policy, the staff member may be required to submit verification from the proper military authority demonstrating the staff member's eligibility for the leave.

### Benefits During Leave

During an approved family military leave, the staff member may maintain health benefits at the staff member's expense. The taking of leave under this policy will not result in the loss of any employment benefit accrued before the date on which leave commenced.

### Job Restoration

Upon returning from an approved family military leave, the staff member is entitled to return to the same position or to an equivalent position with equal pay, benefits, and other terms and conditions of employment unless such restoration is inappropriate for reasons unrelated to the staff member's family military leave.

## General/Personal Leave

If staff members are ineligible for any other leave of absence, the Oak Park Public Library may grant a general/personal leave of absence without pay. Staff members should submit their request for personal leave to their supervisor and Human Resources before the anticipated start of the leave. If the leave is requested for medical reasons and staff members are not eligible for leave under the federal Family and Medical Leave Act (FMLA) or any state leave law, medical certification may be required.

The general/personal leave request will be considered and evaluated on a number of factors, including anticipated workload requirements, staffing considerations, and the reason for the requested leave.

A general/personal leave of absence may be granted for a period of up to eight (8) weeks. However, a leave may be extended up to four (4) weeks if, prior to the end of the leave, the staff member submits a request for an extension, and the request is granted. The maximum amount of general/personal leave allowed is twelve (12) weeks in a rolling 12-month period measured backward from the date a staff member uses any general/personal leave.

The library will continue insurance coverage during the leave if staff members submit their share of the monthly premium payments to the library in a timely manner. During the unpaid portions of general/personal leave, the staff member will not receive pay for holidays.

When the staff member anticipates returning to work, they should notify their supervisor of the expected return date. This notification should be made at least one week before the end of the leave.

Upon completion of the general/personal leave of absence, the library will attempt to return staff members to their original job or a similar position, subject to prevailing library operation considerations.

Reinstatement is not guaranteed.

Failure to advise your supervisor or Human Resources of availability to return to work, failure to return to work when notified, or a continued absence from work beyond the time approved by the library will be considered a voluntary resignation of employment.

## Jury and Witness Duty Leave

The Oak Park Public Library will provide all regular full-time and part-time staff members requested to serve jury duty with the required time off to fulfill their obligation. The library will pay staff members their straight time pay for their regularly scheduled work hours missed for jury service or when subpoenaed to appear before a court, public body, or commission in connection with library business. All staff members may keep whatever compensation is given for their jury service.

In cases where jury duty does not require a full day, staff members are expected to spend as much time as reasonable at their regularly scheduled duties.

Staff members are required to notify their immediate supervisor as soon as possible when they receive a jury duty summons and provide a copy to Human Resources to be eligible for payment. Proof of jury service verifying the dates and times of attendance may be required.

## Paid Parental Leave

The Oak Park Public Library will provide up to eight (8) weeks of paid parental leave to all regular full-time and part-time staff members following the birth of a staff member's child or the placement of a child with a staff member in connection with adoption or foster care. The purpose of paid parental leave is to enable the staff member to care for and bond with a newborn or a newly adopted or newly placed child. This policy will run concurrently with Family and Medical Leave Act (FMLA) leave, as applicable.

### Eligibility

All regular full-time and part-time staff members are eligible for paid parental leave provided they meet one of the following criteria:

- Have given birth to a child.
- Be a spouse or committed partner of a person who has given birth to a child.
- Have adopted a child or been placed with a foster child (in either case, the child must be age 17 or younger).

### Amount, Time Frame, and Duration

Eligible staff members will receive a maximum of eight (8) weeks of paid parental leave per birth, adoption, or placement of a child/children. The fact that a multiple birth, adoption, or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the eight-week total amount of paid parental leave granted for that event.

Paid parental leave is compensated at the staff member's current regular rate of pay based on the staff member's regularly scheduled weekly hours. Paid parental leave will be paid on regularly scheduled pay dates.

Paid parental leave can be taken intermittently but should be taken in full week increments where possible. Approved paid parental leave may be taken at any time during the twelve-month period immediately following the birth, adoption, or placement of a child with the staff member.

Any unused paid parental leave will be forfeited at the end of the twelve-month time frame.

Upon separation of employment, the staff member will not be paid for any unused paid parental leave for which they were eligible.

## Coordination with Other Policies and Benefits

After the paid parental leave is exhausted, the remainder of the leave can be compensated through staff members' applicable paid time off. Upon exhaustion of applicable paid time off, any remaining leave will be unpaid leave. Please refer to the Family and Medical Leave Act (FMLA) policy for further guidance.

The library will maintain all benefits for staff members during the paid parental leave period just as if they were taking any other leave.

If a holiday occurs while the staff member is on paid parental leave, such a day will be charged to holiday pay.

## Notice of Leave

The staff member should provide reasonable notice to their supervisor and Human Resources. The staff member must complete any necessary forms and may be required to provide documentation to substantiate the request.

## School Visitation Leave

The Oak Park Public Library provides all regular full-time and part-time staff members time off for school visitation. Visitation is allowed for staff members to attend educational and/or behavioral conferences or classroom activities at their children's school when these school visits cannot be scheduled outside of work hours. "Child" means biological, adopted, foster child, or legal ward of a staff member who is enrolled in a primary or secondary school.

Eligible staff members may request up to a total of eight (8) hours of visitation in any school year, with a maximum of four (4) hours on any given day. The staff member must provide reasonable notice to their supervisor when requesting school visitation leave.

School visitation leave is unpaid. Staff members must use applicable paid time off for school visitation leave, if available. Supervisors may allow staff members to make up time for the unpaid school visitation leave. Staff members may be asked to provide their supervisor with written verification of the date, time, and length of the school visitation.

## Victims' Economic Security and Safety Act (VESSA) Leave

The Oak Park Public Library provides all regular full-time and part-time staff members with unpaid victims' economic and security and safety leave for up to 12 weeks in a 12-month period for any one or more of the following reasons:

- Seeking medical attention for, or recovering from, physical or psychological injuries caused by domestic, sexual, gender violence or any other crime of violence to the staff member or the staff member's family or household member; or
- Obtaining services from a victim services organization for the staff member or the staff member's family or household member; or
- Obtaining psychological or other counseling for the staff member or the staff member's family or household member; or
- Participating in safety planning, temporarily or permanently relocating, or taking other actions to increase the safety of the staff member or the staff member's family or household member from future domestic, sexual, gender violence, any other crime of violence, or ensuring economic security; or
- Seeking legal assistance or remedies to ensure the health and safety of the staff member or the staff member's family or household member, including preparing for or participating in any civil or

criminal legal proceeding related to or derived from domestic, sexual, or gender violence or any other crime of violence.

All regular full-time and part-time staff members may use up to two workweeks (10 days) of unpaid VESSA leave for any one or more of the following reasons:

- Attending the funeral or alternative to funeral or wake of a family or household member who is killed in a crime of violence;
- Making arrangements necessitated by the death of a family or household member who is killed in a crime of violence; or
- Grieving the death of a family or household member who is killed in a crime of violence.

Leave for these reasons must be completed within 60 days after the employee receives notice of the death of the victim.

### Definitions

"12-Month Period" means a rolling 12-month period measured forward from the date leave is taken and continuous with each additional leave day taken.

"Family or Household Member" means a spouse or party to a civil union, parent, grandparent, child, grandchild, sibling, or any other person related by blood or by present or prior marriage or civil union, other person who shares a relationship through a child, or any other individual whose close association with the staff member is the equivalent of a family relationship as determined by the staff member, and persons jointly residing in the same household.

"Domestic, Sexual, or Gender Violence" means domestic violence, sexual assault, gender violence, or stalking.

"Crime of Violence" means any conduct proscribed by Articles 9, 11, 12, 26.5, 29D, and 33A of the Criminal Code of 2012 or a similar provision of the Criminal Code of 1961, in addition to certain conduct proscribed by Articles of the Criminal Code of 2012. This term can include sex offenses, assault, harassment and obscene communications, armed violence, and other crimes.

### Intermittent or Reduced Leave

A staff member may take leave intermittently (a few days or a few hours at a time) or on a reduced leave schedule.

### Substitution of Paid Time Off

A staff member may elect to substitute applicable paid time off for any part of victims' economic security and safety leave. Such substitution will not extend the staff member's total allotment of time off under this policy.

### Notice of Leave

A staff member should provide as much notice as is practicable to their supervisor and Human Resources when the need for leave becomes known.

### Certification

For leaves taken pursuant to this policy, the staff member may be required to submit a certification demonstrating the need for the leave. The certification must be provided by the staff member as soon as reasonably possible.

The certification requirement may be satisfied by the submission of a sworn statement from the staff member and one of the following:

- Documentation from a victim services organization, attorney, clergy, or medical or another professional from whom the staff member or the family/household member has sought assistance from in addressing domestic, sexual, gender violence or crime of violence and/or its effects;
- A police or court record;
- A death certificate, published obituary, or written verification of death, burial, or memorial services from a mortuary, funeral home, burial society, crematorium, religious institution, or government agency documenting that a victim was killed in a crime of violence; or
- Other corroborating evidence.

All documentation related to the staff member's need for the leave pursuant to this policy will be held in strict confidence and will only be disclosed as required by law.

### Benefits During Leave

During an approved VESSA leave, the library will maintain your health benefits, as if you continued to be actively employed. If paid leave is substituted for unpaid VESSA leave, the library will deduct your portion of the plan premiums as a regular payroll deduction. If your leave is unpaid, you must pay your portion of the premium during the leave. Your group health care coverage may cease if your premium payment is more than 30 days late. If you do not return to work at the end of the leave period, you may be required to reimburse the library for the cost of the premiums paid by the library for maintaining coverage during your unpaid leave, unless you cannot return to work because of the continuation, recurrence, or onset of domestic, sexual, gender violence, crime of violence, or other circumstances beyond your control.

When your need for the leave also qualifies as family/medical leave pursuant to the Family and Medical Leave Act (FMLA), the FMLA leave will run concurrently with leave taken pursuant to this policy, such that the total amount of unpaid leave for which a staff member will be eligible in one year is 12 weeks.

When your need for leave also qualifies for bereavement leave under Illinois' Family Bereavement Leave Act (FBLA), FBLA leave will run concurrently with leave taken pursuant to this policy, such that the total amount of unpaid leave for which an employee will typically be eligible in cases of bereavement is 10 days. However, in such cases, the 10 days of bereavement leave will not be deducted from the staff member's total VESSA allotment of 12 weeks.

### Job Restoration

If you wish to return to work at the expiration of your leave, you are entitled to return to your same position or to an equivalent position with equal pay, benefits, and other terms and conditions of employment. If you take leave because of your own medical condition, you are required to provide medical certification that you are fit to resume work. Staff members who do not provide the certification will not be permitted to resume work until it is provided.

### Reasonable Accommodations

The library supports the Victims' Economic Security and Safety Act and will attempt to provide reasonable accommodations for people who are entitled to protection under this Act in a timely fashion unless such accommodations would present an undue hardship for the library.

Reasonable accommodation applies to applicants and staff members and may include adjustment to a job structure, workplace facility, or work requirement, transfer, reassignment, or modified schedule, leave, a changed telephone number or seating assignment, installation of a lock, implementation of a safety procedure or assistance in documenting domestic, sexual, gender violence or crime of violence that occurs at the workplace or in work-related settings, in response to actual or threatened domestic, sexual, gender violence or crime of violence.

A qualified individual is an individual who, but for being a victim of domestic, sexual, gender violence or crime of violence or with a family or household member who is a victim of domestic, sexual, gender violence or crime of violence, can perform the essential functions of the employment position that such individual holds or desires.

Should you wish to request a reasonable accommodation pursuant to this policy, you should contact Human Resources.

### Confidentiality

All information provided to the library pursuant to this policy, including a statement of the staff member or any other documentation, record, or corroborating evidence, and the fact that the staff member has requested or obtained an accommodation pursuant to this policy shall be retained in the strictest confidence by the library, except to the extent that disclosure is (1) requested or consented to in writing by the staff member; or (2) otherwise required by applicable federal or state law.

## Voting Leave

The Oak Park Public Library supports and promotes civic engagement and believes participation in the election process is a critical civic responsibility.

Therefore, all staff members may be permitted two hours of paid leave for the purpose of voting in a local, state, or national election. This leave must be exercised between the opening and closing of the polls and may be used for early voting.

If you need to take time off to vote, you must notify your supervisor of your plans no later than the day before the election. Your supervisor will notify you of the two-hour block of time assigned to you for voting purposes. Proof of attendance at the polls may be required.
