# Minutes for July 22, 2025 Regular Board of Library Trustees Meeting

## **1. Call to order and roll**

President Bloom called the meeting to order at 6:30 pm. Trustee Wilkinson, acting as Secretary for the meeting, took roll.

**Present:** Annie Wilkinson, Susanne Fairfax, Megan Butman, Colin Bird-Martinez, Kristina Rogers, Virginia Bloom

**Absent:** Mika Yamamoto

**Also Attending:** Elsworth Carman, Executive Director, Leigh Tarullo, Director of Collections

**Public Commentators:** Rory O'Neill

## **2. Approval of Minutes**

### **June 24, 2025 Regular Meeting**

Moved by Butman. Seconded by Wilkinson. Approved by Trustees Butman, Wilkinson, Bird-Martinez, and Bloom. Trustees Rogers and Fairfax abstained.

## **3. Public Comments**

The board received a few public comments for the meeting through email and in person. A public comment submitted via email requested that the library reinstate its subscription to the *Wall Street Journal* and provide print copies at all three branches. The commenter noted they had contacted a librarian but did not receive a response. They emphasized the newspaper's importance, the preference for print format, and stated that the current periodicals are insufficient for research needs. Carman responded that the *Wall Street Journal* is available for online access through the library. The commenter replied that they were aware of the online option but found it difficult to read and preferred a paper version, as did others.

Bloom and Carman received an anonymous postcard addressed to the Library Board that said the following:

"I love our library, but it is not as accessible for neurodivergent people like me. The lights are too bright and overstimulating, I get anxious and have headaches. The hand dryers are too loud, and it makes my body hurt. Please consider fixing these things."

The board received an in-person public comment from Rory O'Neill requesting a meeting with Executive Director Carman to discuss the current cleaning contract with Alpha Building Maintenance Services. O'Neill stated that invoices submitted and paid between August 2021 and August 2022 included charges for work that was not completed, estimating the value of unperformed work at

\$35,000. He indicated he has proof of these claims and reiterated his request to meet with Carman to present the evidence.

#### **4. Trustee Comments and Calendar**

Bloom discussed the strategic planning session meeting coming up on Sunday, August 3 from 9 am-1 pm. Bloom noted that she will need to meet with Carman on creating an agenda and considering a facilitator for the meeting. Also on the calendar is the following regular board meeting which will be held on Tuesday, August 26.

Rogers observed that multiple meetings occur on Tuesday evenings, including those of the Village of Oak Park, Oak Park Township, and the Library Board, which may require community members to choose between them. She suggested the possibility of adjusting Library Board meeting dates for flexibility. The board agreed to keep the current meeting dates under consideration.

#### **5. Executive Directors Report**

Carman presented his report, highlighting his attendance at the American Library Association (ALA) Conference, where he participated in sessions on library governance, connected with other attendees, and noted the scale of the event. He provided a recap of community meet-and-greets held at all three locations, engaging with different groups at each and valuing the community's willingness to connect. Carman, along with Billy Treece, Director of Finance and Human Resources also met with staff to discuss the budget process and results of the staff satisfaction survey. Carman reviewed a draft six-month policy review schedule, suggesting it as a possible future Governance Committee practice. He reported attending a virtual meeting with the Hemingway Foundation, as well as one of the foundation's in-person events to strengthen connections.

#### **6. Staff Reports**

##### **a. Strategic Priorities Report**

Carman began his report by highlighting the expansion of the Multicultural Collection, which now includes materials from nine additional countries. The items have been arranged on shelves to improve browsing, increase usage, and generate greater patron interest. The Summer Reading Program was highlighted along with several programs, new and returning in Children's Services including: Lego Club for English Language Learners, Kids Chess Club, and Kids Improv. The results of the staff satisfaction survey were reviewed, showing a 79% participation rate and an overall score of 47—an increase from the previous scores of 17 and -1. Carman also highlighted Juneteenth and Pride celebrations integrated into Creative Studio programming, noting the positive ways staff have incorporated studio tools into these initiatives.

##### **b. Library Core Use Statistics**

The board reviewed the Library Core Use Statistics report, noting the increase in meeting room use and study room use. Discussed were the use of study rooms at the Main Library and if there are any possibilities of expanding into the branches or adding or creating more rooms. The

board discussed the continued growth in demand for online resources, noting the surge in usage during the pandemic and the sustained popularity of certain e-resources. Usage is expected to increase further, and the budget for online resources will be considered to meet this demand.

**c. Additions and Separations Report**

The board reviewed the Additions and Separations Report for the month of June 2025, noting the increase in additions of book bike assistants and teen interns for the summer.

**d. Staff Changes Report**

The board reviewed the Staff Changes Report for the month of June 2025.

**7. Financial Reports**

**a. June 2025 Financial Reports**

The board reviewed the financial reports dated June 30, 2025.

**b. June 2025 Resolutions on Disbursements**

Motion to approve the June 2025 Resolutions on Disbursements.

Moved by Fairfax. Seconded by Bird-Martinez. Approved by all present.

**8. Additional Reports**

- a. Intergovernmental Committee (IGov):** Did meet. Rogers reported on plans for a public event to discuss recent federal government changes and their potential impact on local governing bodies.
- b. Council of Governments (CoG):** Did not meet. Bloom noted that the next meeting may be scheduled for either September 3 or 4.
- c. PlanIt Green:** Did meet. Staff notes will be shared at the August board meeting.
- d. Friends of the Oak Park Public Library:** Did not attend. Bird-Martinez noted the next meeting will be held on August 18. Bloom commented on the Friends Book Fair, noting strong attendance, community engagement, and an overall positive experience and also mentioned a Friends Pizza Party where a post-summary of the book fair will be shared.
- e. Out with Purpose:** Did not meet. The next meeting is to be determined.
- f. Collaboration for Early Childhood:** Did not meet. Rogers noted reaching out to Shannon Ellison, Director of Programs and plans to report back at the next meeting.

## **9. Unfinished Business**

The board discussed postponing committee discussions until after the Strategic Planning Meeting, noting that board members are welcome to join if interested. Bloom discussed ongoing conversations and options for board training for all trustees on the Open Meetings Act (OMA), the Freedom of Information Act (FOIA), and DEI training. The board discussed plans for attendance at the upcoming Illinois Library Association (ILA) Conference in October and confirmed ILA membership. The board discussed the facilitator for the Strategic Planning Session Meeting, who will be Mallory Edgar.

## **10. New Business**

### **a. Exterior Signs Policy Review**

Motion to approve the Exterior Signs Policy Review, with provided recommendations and edits.

Moved by Rogers. Seconded by Wilkinson. Approved by all present.

### **b. Duplicating, Displaying, or Publishing Materials Owned by the Oak Park Public Library Policy Review**

Motion to approve the Duplicating, Displaying, or Publishing Materials Owned by the Oak Park Public Library Policy Review, where the recommendation is to eliminate the policy in full.

Moved by Fairfax. Seconded by Butman. Approved by all present.

## **11. Closed Session (if needed)**

The board did not enter a closed session for this meeting.

## **12. Adjournment**

Bloom adjourned the meeting at 8:32 pm.

## Connecting with the Community

In an effort to reduce barriers to connecting with staff and community members, **I've added a text option to my email signature and other places I share my contact information.** In previous roles, I found this to be an effective way to engage with individuals who prefer text over phone or email communication, and I'm pleased to offer it here as well.

**All three Oak Park Public Library locations serve as community cooling centers, and the recent heat and humidity have brought many new and returning visitors through our doors.** Staff have done an exceptional job welcoming people, providing assistance with study rooms, helping patrons navigate the collection, and providing instruction for digital resources. **One parent shared that the library is their family's favorite summer destination:**

"Indoor play opportunities are hard to find, and when we come here, we can spread out and do our own things while still being in the same area. When we feel cooped up and hot at home, we come to the library."

## Facilities Updates

**Over the past month, we've encountered several building-related challenges:**

- A minor leak in the parking garage sprinkler system
- A significant repair to the Main Library's loading dock, involving extensive concrete removal and replacement
- A minor natural gas leak in the Facilities area
- A downed tree limb interfering with power lines behind Maze Branch

**Director of Facilities Matt Bartodziej and his team resolved all issues, responding with skill, creativity, and a strong commitment to resource stewardship.** As our buildings age, we document each issue and its resolution, especially when we get a rare look at internal structures (like the rebar beneath the loading dock). Paired with building schematics and original system documentation, this helps us plan holistically for future maintenance and repairs.

## Staffing and Civic Engagement

**In late July, we posted a new position: Civic Literacy Librarian, part of the Adult Services Department.** The role summary reads: "In establishing this position, our goal is to embrace the notion that public libraries are critical to a functioning democracy and that libraries are places where people of diverse backgrounds can come together to be actively engaged in the future of their communities."

**We received 66 applications and are currently reviewing them in preparation for first-round interviews.** I'm excited to see the impact this new role will have and look forward to expanded community engagement around civic literacy and participation.

## Library Tours Update

**Since mid-June, I've been leading tours of the Main Library for local elected officials (including library trustees), partner organizations, and area library leaders.** These tours offer a valuable opportunity to build relationships, share our story, and illustrate the many ways public libraries support thriving communities. They've prompted thoughtful questions and personal reflections and have been a joy to facilitate. **I plan to extend invitations to county-level elected officials in the coming weeks to continue these important conversations.**

Respectfully submitted,  
Elsworth Carman

#### **We empower community members with the tools, knowledge, and support they need to reach their full potential.**

*Outcomes:* Improved patron access to opportunities for creative expression and hands-on exploration; Sustained patron access to career/professional development and health/wellness resources; Expanded digital learning opportunities for patrons; Expanded personal and career development opportunities for teens

### STEWARDSHIP

*Core Values: Accountability, Affordability, Health, Preservation, Safety, Sustainability, Transparency*

#### **We invite everyone into library spaces that are welcoming, safe, and inspiring.**

*Outcomes:* Increased library capacity to provide welcoming public safety services; Increased community awareness of library public safety model and practices; Improved public spaces for library patrons and staff; Improved staff and patron awareness about library data privacy and confidentiality

#### **We provide broad, effective, and equitable access to resources.**

*Outcomes:* Improved patron access to and satisfaction with physical and digital collections, online resources, and public technology; Improved technological competencies among library staff; Increased public engagement with library collections, programs, and exhibits

#### **We prioritize sustainability.**

*Outcomes:* Expanded environmentally-friendly practices in library operations; Greater financial sustainability in library operations; Increased diversification of revenue sources to generate funds for future library programming; Greater efficiency in maintenance processes for library infrastructure; Greater staff engagement with library data for decision-making and storytelling

#### **We support all library staff to achieve happiness, well-being, and success.**

*Outcomes:* Enhanced opportunities for staff relationship-building; Enhanced offerings for staff benefits; Increased transparency, awareness, and clarity in library decision-making for staff; Improved staff mental and physical health

### ANTI-RACISM & EQUITY

*Core Values: Accessibility, Courage, Empowerment, Impact, Innovation, Representation, Social Justice*

#### **We create and implement library policies that promote equitable outcomes for our staff and the public.**

*Outcomes:* Improved and more equitable community and staff experience of the library's policies, procedures, and spaces; Integration of restorative practices in library communication, engagement, and conflict resolution strategies with patrons and staff; Improved library understanding of and engagement with community members of diverse backgrounds, identities, and circumstances

#### **We prioritize relationship-building and meaningful collaboration in our efforts to advance anti-racism.**

*Outcomes:* Increased and diversified library-community stakeholder relationships; Expanded partnerships and resource streams for supporting returning citizens; Increased opportunities for patrons to actively contribute to the library's work; Increased and sustained opportunities for internal collaboration and relationship-building among library staff across and within different service areas, grade levels, and demographic groups; Increased awareness of and knowledge about restorative practices among library and community peers and stakeholders

- We focus on inclusive engagement and service to diverse community groups.
- We lead the community in impactful civic engagement.
- We attract and retain a library staff that reflects the diversity of our community.

## Work Highlights

### Communications & Development

#### Sharing Book Fair joy on social media

The 53rd Annual Friends of the Oak Park Public Library Book Fair took place July 11–13, with countless booklovers visiting the Main Library all weekend. Visitors discovered a variety of treasures, including \$5 friendly picks, autographed books, puzzles, movies, and CDs. **Communications Specialist Camayia Dantzler and Graphic Designer Gabriela Denton developed and executed a social media strategy to promote the event, capturing engaging photos of enthusiastic shoppers and filming video interviews** where attendees shared their excitement and book fair goals. A video reel and two posts were shared across the library's Facebook and Instagram accounts. The video content received strong engagement, amassing **over 5,000 views on Facebook and more than 9,000 views on Instagram.**

### Public Services & Programs

#### A special storytime program at Maze Branch

On July 14, we hosted a storytime and “Touch a Recycling Truck” program at the Maze Branch — organized by Environmental & Sustainability Specialist Christine Poreba and Children’s Digital Learning Librarian Eileen Saam, **in collaboration with Lakeshore Recycling Systems (LRS). Approximately 60 community members attended this program**, where they read books about recycling and being good stewards of the environment, and sang and marched to songs with the lyrics “Reduce, Reuse, Recycle.” **Kids were excited for the opportunity to sit in the driver’s seat of the recycling truck and honk the horn**, and several of them had questions for the driver. **Given the strong turnout and many positive comments from families in attendance, we hope to plan another program with LRS in the future**, this time hosting it in the cul-de-sac outside the Main Library.

### Social Services & Public Safety

#### Collaborating with local leaders to support unhoused community members

**Director of Social Services & Public Safety Rob Simmons is currently representing the library as a member of the Village of Oak Park's Task Force on Response for Unhoused Residents of Oak Park.** The task force brings together a diverse group of local leaders to collaborate on a shared vision, mission, and actionable goals to address the needs of unhoused residents in our community. Meetings will focus on data gathering, concept development, engagement with unhoused residents, and strategic research. **Outcomes from the work of the task force and recommended solutions will be presented to the Village Board in September 2025.**

### Collections

#### Engaging with Special Collections to honor a local historical figure

Near the end of July, **an architect-in-training at a firm in California reached out to Special Collections requesting assistance with a nomination for this year's Gold Medal from the American Institute of Architects**, which is one of the highest honors in the field. **The nomination was for Marion Mahony Griffin, who, despite her significant contributions to many of Frank Lloyd Wright's early projects, did not receive nearly the level of acclaim and recognition as Wright did during her life. Some of the best examples of Mahony Griffin's achievements are her renderings in the Wasmuth Portfolio, which the library has in our Special Collections.** With a short timeline for submitting the nomination, staff members in Special Collections sent the architect existing digitizations of some of Mahony Griffin's renderings, as well as historic photographs of some requested locations. Special Collections staff also photographed renderings to send high-resolution images of other examples of Mahony Griffin's skill and impact. This was an exciting opportunity for engagement with Special Collections to support recognition of an important figure in local history.

- We build capacity for literacy and education.
- We empower community members with the tools, knowledge, and support they need to reach their full potential.

## Work Highlights

### Public Services & Programs

#### Learning from & sharing with library peers

On July 17, Environmental & Sustainability Specialist Christine Poreba participated in a [LACONI POP](#) webinar panel for other library workers, entitled "[Sustainability in Action: Programs and Practices.](#)" This webinar highlighted innovative and practical approaches to environmental programming in libraries, and included panelists from [Joliet Junior College](#) and [Barrington Area Library](#) as well. We were proud that Christine was invited to share her experiences and expertise, and we are pleased to know that more libraries are doing this important work and interested in learning from each other.

### Collections

#### A learning & career development opportunity for teens

The Materials Handling Team once again hosted two teen interns this summer (pictured at right), both of whom made a tremendous impact in our work to provide access to the library's physical materials. When asked about their experience working with the team, one said, "I could not have asked for a better experience. Everyone was so kind, regardless of service area, but a special shoutout to the main materials handling crew. It was lovely working alongside you guys, and I thank you for being so kind."

They also shared that the experience helped them learn about the internal structure of the library — and that understanding how it works has made them appreciate this institution even more.

## Community Voice

On July 16, a patron shared the following feedback and gratitude via email:

"I have used the services of this library for many years. **You have consistently met my needs, even through the difficult COVID years.** In recent years, I have made use of the digital libraries you have made available. In doing so, **I have, at times, needed the help of your technical staff. Each time I have had a problem with technical issues, your staff has been polite, knowledgeable and prompt.** I just want you to know how much I have enjoyed and benefitted by the services you have provided me over the years. Thank you."

Patron Services Library Assistant Linda Miller shared that, on July 15, a patron visited her at the Maze Branch and shared the following feedback:

"I don't know if you remember this, but a few months ago you got me a book that I needed for a nursing school project. **I got 100/100, and it was all because of that book. It wasn't in the catalog, but you were able to get it.** So, this is a late 'thank you' for your help."

Linda had located a copy of the book in [WorldCat](#), but, given the patron's tight deadline for a school project and the fact that Maze was closed the next day, she did not ask the patron to fill out the online form and instead called our ILL team directly. Supervising Librarian of Bibliographic Services Colleen White and Library Assistant Camille Gauthier were then able to fast-track the request and get the book to Maze quickly, truly supporting this patron's needs.

## Staff Spotlight

**Health & Wellness Specialist Claire Ong is always busy:** In addition to managing the workload for her master's degree in library science, she coordinates the library's numerous health and wellness programs, works the service desk at the Main Library, and drives with our Home Delivery program every week. Claire organizes recurring programs, such as our very popular weekly virtual chair yoga program and monthly sound bath meditation, in addition to taking the lead on special health and wellness programming, like our BIPOC Day of Wellness in July. In May, she presented at the [23rd Annual Illinois Information Literacy Summit](#) at College of DuPage, and she just attended her first [American Library Association Annual Conference](#). We are grateful for all of Claire's work and her dedication to envisioning new ways to keep our staff and patrons informed, healthy, and well.

- ▶ We invite everyone into library spaces that are welcoming, safe, and inspiring.
- ▶ We provide broad, effective, and equitable access to resources.
- ▶ We prioritize sustainability.
- ▶ We support all library staff to achieve happiness, well-being, and success.

## Work Highlights

### Finance & HR

#### Chatting with library staff

In July, Executive Director Elsworth Carman and Director of Finance & Human Resources Billy Treece co-hosted four in-person chats with staff across all three library locations. Over 60 staff members attended these sessions, which are a vital part of our ongoing effort to improve transparency and staff well-being. The discussions offered a forum for open dialogue on recent staff satisfaction (eNPS) survey results and a financial update on the budgeting process, and gave staff a valuable opportunity to share their questions and feedback. **This quarterly practice supports staff success and helps create a positive, collaborative work environment.**

### Facilities

#### Improving library equipment & spaces

In July, the Maze Branch saw the replacement of a 22-year-old gas water heater with a similarly sized electric water heater (pictured at right) — the first step in reducing Maze's dependency on natural gas and reducing our carbon emissions. This work involved removing the old water heater, capping the gas line, running a new 240v circuit, removing old ductwork, and replacing brickwork on the building's exterior. The Facilities Team worked diligently with three different vendors (electrician, plumber, and brick mason) to coordinate a seamless installation.

Also in July, the Facilities Team performed several behind-the-scenes improvements, including replacing 12 fan-powered box motors, replacing a failed hot water booster pump and motor, repairing a rooftop exhaust fan, and reglazing several windows at the Maze Branch.

### Technology

#### Enhancing digital security at the library

The IT Team recently completed a comprehensive training course focused on new security software that we will soon implement for our library computers at all locations. This in-depth training covered various aspects, including the deployment process, configuration settings, and effective management of the software. The team acquired valuable insights and skills to ensure a seamless rollout, which will enhance the security of all of our library's digital resources.

### Public Services & Programs

#### Shifting team responsibilities to support local history & civic literacy

Adult Services and Special Collections recently collaborated to move the area of Local History to Special Collections. Previously, our late colleague Edward O'Brien had been the local history librarian in Adult Services, collaborating often with Special Collections. Adult Services staff will continue assisting patrons with online resources — including [NewspaperARCHIVE](#), [Ancestry](#), and [FirstSearch](#) — and helping them access materials in the Local History workroom and on microfilm. Deeper research questions will now be addressed by Special Collections staff, who will be responsible for local history collection materials. **While there is truly no replacing Ed, whose work and impact we highlighted in last month's Strategic Priorities Report, we hope that this new structure will continue the important work he did for our patrons and community for so many years. This change will also enable Adult Services to begin a search for candidates to fill a new librarian role: Civic Literacy Librarian.**

- We create and implement library policies that promote equitable outcomes for our staff and the public.
- We prioritize relationship-building and meaningful collaboration in our efforts to advance anti-racism.

## Work Highlights

### Communications & Development

#### Celebrating Disability Pride

In recognition of Disability Pride Month in July, the library offered a variety of resources and programs to our patrons.

Disability Pride means affirming that disabilities are a natural and valuable part of human diversity, honoring the activists who came before us, and celebrating disability visibility in public spaces. In a [news post on oppl.org](#), we shared title suggestions from the Collection

Management Team, librarian-curated resources for disabled people and caregivers, and information about a series of intergenerational programs in July coordinated by Children's Librarian Shelley Harris. Programming included our 3rd Annual Disability Pride March and a Disability Pride Idea Box display. The Idea Box installation aimed to celebrate disability culture, identity, and advocacy, and directly challenge systemic ableism and discrimination faced by disabled people by centering their experiences. In different areas in the room, the display shared information about language and terminology, affirming books to read, and the signing of the Americans with Disabilities Act (ADA) in 1990. One space also highlighted different well-known people who live with disabilities and the impact it has had on their daily lives, helping patrons relate to and understand their diverse experiences.

### Public Services & Programs

#### Supporting BIPOC health & wellness

In honor of National Minority Mental Health Awareness Month, the library hosted a Black Indigenous People of Color (BIPOC) Day of Wellness on July 26. The event began with a hybrid panel discussion with therapist Jor-El Caraballo, social worker Emely Rumble, and artist Karen J. Anderson

on self-care for Black men and Black women, and African beauty. A lunch break followed, with dedicated space available for attendees to spread out, relax, and/or meditate on provided yoga mats. At 1pm, professor and author Jane Hseu led a writing reflection hour, and the day ended with afternoon tea from [Social Work Sunday Tea](#) founder and therapist Shakea Houston.

#### Pairing book giveaways with food distribution

In July, Children's Librarian Genevieve Grove partnered with [Beyond Hunger](#) to provide free children's books to clients during Wednesday food distributions. On average, over 50 books per week went home with clients, with delighted aunts, uncles, grandparents, and neighbors looking forward to sharing their finds with the children in their lives. Families often wait over an hour to shop at the pantry, so Genevieve also brought crayons, coloring pages, and activity booklets to keep kids entertained, as well as summer reading beads to distribute. The next steps for this partnership are still being finalized, but it has the potential to continue every other week.

#### Honoring the influential work of two Black artists

[Special Collections](#) is currently collaborating with noted photographer Howard Simmons on the donation of one of his photographs of the famed author and first Black poet to win the Pulitzer Prize, Gwendolyn Brooks. Simmons is an Oak Park resident and was one of the first Black photographers for the Chicago Sun-Times. The piece will be preserved and showcased as part of our historic materials collection.

## Community Voice

Community members who engaged with our Disability Pride display (described above) shared many positive comments:

"The intention and level of detail that has gone into this is incredible."

"I love how informative this is."

"This display encapsulates why I moved to Oak Park."

Patron Jeffery Jenkins shared, "As someone on the autism spectrum myself, I've found the exhibit both informative and deeply thought-provoking." His company, [Jx3 Explore](#), created an interactive virtual 360° walkthrough of the exhibit.

## Oak Park Public Library – Financial Report Summary

As of July 2025  
(58% of the year complete)

### OPERATING CASH

Illinois Funds Invest	\$5,067,302

Ending operating cash available: **\$6,714,134**

Art Fund: **\$3,142**

---

### OVERALL SUMMARY

Oak Park Public Library is 58% through the fiscal year. The year-to-date (YTD) financial statement through July 31, 2025, reflects a deficit of \$567,328, with the first installment of the tax receipts being paid at 53% of the budgeted amount and awaiting the second installment.

July YTD operating expenditures totaled \$6,813,186 or 57% of the 2025 budget. This amount is 1% under the YTD budget for the fiscal year.

---

### REVENUE

The library received \$6,029,441 in property tax revenue YTD. In recent years, the second installment due date has experienced delays, pushing it back from the traditional August 1 due date. The 2024 second installment (payable in 2025) is expected to be delayed by at least one month, until September or later.

Corporate Property Tax is at 50% of the annual budget. A state disbursement of \$33,781 was received on August 4, 2025, with three more payments to be disbursed for the remainder of the year. A potential economic decline could reduce the government's tax revenue for distribution. If this decline occurs, the library will receive less than budgeted for FY2025.

Parking lot revenue of \$19,229, or 87%, is 29% over the YTD budget. If the monthly revenue remains constant at more than \$2,000, the library will exceed the \$22,000 budget. The revenue helps pay a portion of the costs for servicing and maintaining the parking garage and gates.

Interest income of \$187,762, or 103% of the budget, is 45% over the YTD budget. The decrease in interest rates from 5.4% in FY2024 to a current average of 4.4% will continue to produce income over budget. The Federal Reserve will meet in September to decide whether to change the rate.

Gifts from Friends of the Library (FOPPL), at \$18,349, or 92% of the budget, is 34% over the YTD budget. This is due to the remaining funds from the FOPPL FY24 gift being recognized in FY25 and the rate of spending of the FOPPL FY25 gift.

Community Fund Endowments is at 92% of the budget, due to the timing of expenditures to recognize revenue for the funds received.

Miscellaneous Income of \$10,786 is contributed to \$8,952 received for E-Rate. This is a discount received from the Federal Communications Commission to assist with affordable telecommunications and internet access.

## **TOTAL REVENUE YTD: \$6,418,258**

---

### **EXPENDITURES**

Total disbursements: **\$1,012,867**

The total People expenditure is at 58%, which aligns with the YTD budget. The Dues line, at 103%, is significantly over the YTD budget by 58% due to the timing of the Urban Library Council (ULC) membership renewal. Workers' Compensation (WC) is 88% of the YTD budget. However, the full year's payment for WC was due in January. Unemployment is at 126% of the YTD budget due to the 2025 unemployment insurance rate being higher than anticipated and the calculated rate being charged until it reaches the wage base cap. Hiring is 85% over the YTD budget due to costs related to hiring an Executive Director.

Support Services is expended at 63% of the YTD budget. The over-expenditure is mainly due to various Marketing and Administration costs: (1) Promotions is 38% over the YTD budget, which is due to FY25 Spring Strategic Marketing Campaign; (2) Staff Appreciation is 11% over the YTD budget, which is due to the allocation of events and is not expected to exceed the annual budget; (3) Audit Fees are at 78% of the budget, which is due to pre-audit fieldwork that is performed in the first month of the year, progressive billing for the audit and outside consultant for preparation of Actuary Report; (4) Consulting Services costs are overspent by 5% for this point of the year due to the use of communications consultants; 5) package Insurance (property, liability, auto, etc.), which is charged 100% in the first month of the year and is at 92% of the budget line; and (6) Supplies is overspent by 4% due to the timing of purchases and rising printing costs.

July's operating expenditures are at 57%, which is within 1% of the YTD budget of 58%.

# Parking Garage Use and Revenue Report

Prepared for the August 26, 2025, Meeting of the Board of Library Trustees  
Matt Bartodziej, Director of Facilities and Elsworth Carman, Executive Director

## Context

At the July 2025 board meeting, there was a conversation about parking revenue, the library's current parking fee structure, and whether or not the parking fee structure should be reevaluated. In an effort to show how the parking garage is used and what percentage of people using it pay to park (and how much they pay), we have compiled the use data for January 1, 2025, through July 31, 2025. This data represents paid tickets (lost tickets, validated tickets, and other staff overrides are not included).

The current parking garage rates are as follows.

### PARKING GARAGE RATES

Less than 2 hours.	Free
2-3 hours.	\$1.00
3-4 hours.	\$5.00
4-6 hours.	\$10.00
6-12 hours.	\$20.00

### **Data Interpretation and Revenue Impacts**

The vast majority of people (nearly 88%) using the parking garage park for under two hours and are not required to pay. Around 12% of parking garage users generate 100% of revenue, with over 63% of revenue coming from \$5 and \$10 tickets (around 3.5% of total tickets). \$20 tickets (around 0.25% of total volume) contribute 13.7% of total parking revenue.

As part of our continued work to maintain a balanced budget, we estimated parking revenue conservatively for FY25, budgeting a total of \$22,000 for the year. In the July meeting packet, our Statement of Revenue and Expenditure documented that our YTD total (through June 30, 2025) was \$16,695.36, which is 75.89% of our budget for the line. Using realistic or slightly lower projections for this kind of variable revenue allows us to reduce the risk of budget deficits and avoid overcommitting resources. It is also worth noting that historically, the parking gates and ticket system experienced periods of downtime throughout the year. These issues have largely been resolved, and the systems are working reliably and consistently, which leads to increased revenue.

This data illustrates that the current parking fee structure effectively supports both short-term parking garage use and balanced revenue generation. While the majority of parking garage users benefit from free or low-cost parking, the fee structure still yields meaningful revenue from a relatively small percentage of users. At this time, the data does not suggest an immediate need to adjust the parking rates. However, we will continue to monitor usage and revenue trends to ensure the fee structure aligns with library priorities, patron access, and financial sustainability.

**To:** Board of Library Trustees  
**From:** Billy Treece, Director of Finance & HR  
**Date:** August 22, 2025  
**Subject:** Maintaining a Balanced Budget for Fiscal Year 2026

---

The first draft of the balanced Fiscal Year (FY) 2026 budget is attached for your review and consideration.

## Process

Each year, the Board of Library Trustees reviews and approves the library's budget for the next fiscal year (January 1 to December 31). In accordance with Illinois law, because Oak Park is structured as a local village library, the approved budget is then submitted as a levy resolution to the Village of Oak Park, which includes the library's levy in its levy to the Cook County Treasurer. Typically spanning six months, the process generally is as follows:

- **June & July:** Library staff work to develop the first draft of next year's budget.
- **August:** Library staff present the first budget draft to the Library Board for discussion and direction on the levy request and priorities.
- **September:** Library staff present the second budget draft for further Library Board discussion and direction.
- **October:** Library Board reviews and approves the third budget draft and the levy resolution.
- **November:** Library staff sends the approved levy resolution to the Village of Oak Park.
- **December:** The Village incorporates the library's levy into its levy, the Village Board approves it, and sends it to the Cook County Treasurer.

## Staff Budget Goals

Overcoming the \$379,000 operating deficit and achieving a balanced budget for FY2025 was a significant accomplishment, demonstrating our dedication to the library's financial stability and long-term goals. This success was made possible by the outstanding and collaborative work of everyone involved during last year's budgeting process.

For FY2026, our primary goal is to maintain a balanced budget. This means continuing our resource stewardship to ensure projected revenue matches anticipated expenses. Although we are not starting with an operating deficit this year, we still need to be intentional about deciding where our money goes to ensure the budget reflects our values and strategic direction while justifying any property tax increase.

## Key Items in Draft 1 Budget

### Oak Park Public Library Draft 1 - FY2026 Budget Totals Summary

Category	FY2025 Budget	FY2025 Projection	FY2026 Budget	FY25-FY26 Budget Variance
TOTAL REVENUE	11,885,600	12,052,776	12,386,500	4.2%
TOTAL EXPENSES - Operating	11,885,600	11,629,216	12,386,500	4.2%
<b>NET SURPLUS/(DEFICIT) OPERATING</b>	<b>0</b>	<b>423,560</b>	<b>0</b>	<b>0.0%</b>
TOTAL EXPENSES - Capital	600,000	512,334	670,000	11.7%
<b>NET SURPLUS/(DEFICIT) OPERATING &amp; CAPITAL</b>	<b>(600,000)</b>	<b>(88,774)</b>	<b>(670,000)</b>	<b>11.7%</b>

- Revenue increased by \$500,900, or 4.2%.** This increase was mainly due to a 4% increase in the property tax levy, which accounts for nearly 96% of the library's revenue. Revenue line item details, including the dollar and percentage change from FY2025 to FY2026 budget, are listed below.
  - Property Taxes, +\$461,000 or +4%:** The Oak Park community funds its library through property taxes. As mentioned earlier, property taxes make up nearly 96% of the library's budgeted revenue. For illustrative purposes, if all factors were equal, a 4% increase in the library's property tax levy would translate to about \$20 more per household annually (from \$488.92 to \$508.69 per Oak Park household).
  - Corporate Property Replacement Tax, -\$12,000 or -5.8%:** Also known as personal property replacement taxes (PPRT), these are revenues collected by the state of Illinois and paid to local governments to make up for money lost when their authority to impose personal property taxes on corporations, partnerships, and other business entities was taken away in the 1970s. Due to various factors, Illinois projects about a 6% decrease in the distribution of these funds in 2026.
  - Service Charges and Fees, \$0 or 0%:** Since the library eliminated fines for late returns in 2017, this revenue line has been used for various service credits. It is not a significant income source (less than \$500) and varies each year. Therefore, it should not be relied on, and the line is budgeted at \$0.
  - Lost Book Reimbursed/Reciprocal Borrowing, +\$6,000 or +85.7%:** Revenue increased in this line in 2025 mainly because of the number of books/materials being lost and paid for, mostly from reciprocal borrowing (meaning patrons of other libraries paying for lost/damaged Oak Park Public Library materials). This income will fluctuate from year to year. The FY2026 budget is based on the FY2025 year-to-date average.
  - Sales, \$0 or 0%:** Revenue from The Store, the library's venture into selling library-branded merchandise. This line is not a significant source of revenue (less than \$1,500) and varies each year. Therefore, it should not be relied upon, and the line is budgeted at \$0.

- **Rentals-Library Space**, \$0 or 0%: Not-for-profits can rent library spaces for free, but for-profits must pay. This line generates less than \$5,000 annually and varies each year. Therefore, it should not be relied upon, and the line is budgeted at \$0.
- **Vending/Enterprise Income**, \$0 or 0%: This line contains income from vending machines. It is not a significant source of revenue (less than \$2,000) and varies each year. Therefore, it should not be depended on, and the line is budgeted at \$0.
- **Parking Lot Revenue**, +\$9,200 or +41.8%: Revenue collected from fees for using the parking garage at the Main Library. The revenue helps cover part of the costs for servicing and maintaining the parking garage and gates. The 2026 budget is based on the 2025 year-to-date average. For reference, the budgeted revenue was \$32,000 in 2019 (a pre-pandemic figure), and parking rates have remained constant.
- **Interest**, +\$41,000 or +22.5%: This line includes the interest earned on our available cash balances in our bank accounts and The Illinois Funds account. Coming out of the pandemic years, the library has budgeted conservatively for interest income. As interest rates are projected to decrease in the remainder of 2025 and into 2026, the library still expects to earn \$223,000 in 2026 based on a 2.9% average interest rate (The Illinois Funds rate is averaging 4.4% in August 2025).
- **Gifts**, \$0 or 0%: Gifts and donations vary each year, and the library is not aware of any planned donations for 2026. Therefore, this line is budgeted at \$0.
- **Gifts from FOPPL**, +\$5,000 or +25%: After the highly successful 53rd Annual Friends Book Fair (held July 11-13, 2025), the Friends of the Oak Park Public Library confirmed that their FY2026 gift would be at least \$25,000.
- **Illinois Per Capita Grant**, -\$18,000 or -100%: The Public Library Per Capita Grant assists public libraries to provide library services that meet or show progress toward meeting Illinois library standards. Grant amounts of up to \$1.475 per person, based on the population of the library's service area, are awarded annually to qualified Illinois public libraries. In the past, because receiving these grant funds in a timely manner from the state was sometimes uncertain, the library budgeted this line at \$0. To balance the FY2025 budget, the library added \$18,000 to this line. However, it is recommended to return to budgeting \$0 in FY2026.
- **Grants**, \$0 or 0%: The library budgets for this line when it is certain of grant awards. Currently, the library has no knowledge of grant awards for 2026. If the library receives any grant revenue in 2026, it will be offset by Grant Expenses, which are also budgeted at \$0.
- **Community Fund Endowments**, -\$300 or -1.2%: Annually, the Oak Park River Forest Community Foundation makes distributions from the seven funds they manage on the library's behalf. The Community Foundation's recommended distribution amount from these funds is about \$25,300 for FY2026.
- **Miscellaneous Income**, +\$9,000: This is a revenue category for income that does not fit into other categories. Historically, the library has not budgeted for miscellaneous income. However, the library began receiving E-Rate funding in FY2025 and currently expects to receive \$9,000 from E-Rate for FY2026. If E-Rate funding continues, it may be worth creating a separate revenue line.

- **Operating expenses increased by \$500,900, or 4.2%.** While some costs are expected to decrease in 2026, those reductions fail to offset the increase needed in many categories, especially in the People, Compensation section, which increased by \$505,500 or 5.9%. Key People, Compensation line item details, including the dollar and percentage change from FY2025 to FY2026 budget, are listed below:
  - **Wages & Salaries, +\$310,000 or +4.7%:** The library's compensation philosophy of paying staff members equitably according to the Illinois public libraries market continues. Due to a steadfast focus on appropriately increasing staff salaries over the past seven years, market equity **pay increases averaging 2.8%** are required and included to maintain this progress into FY2026. In addition to pay raises, this line item includes a full year's budget for the Director of Equity & Anti-Racism position and the addition of a part-time Public Safety Specialist to support Branch coverage.
  - **Employee Health Benefits, +\$141,000 or +11.5%:** The initial health insurance renewal increase received was 9%, higher than recent years but lower than the average renewal of 18-20% in the Chicagoland market. Through plan design changes, the projected increase will be about 6%. However, more funds are needed for the library to cover the rise in the utilization of dependent coverage.
  - **IMRF, +\$41,000 or +17.9%:** The statutorily required IMRF (pension) employer contribution rate increased by 13.8%, from 3.49% to 3.97%. Additionally, this expense is linked to Wages & Salaries. As the Wages & Salaries line increases, the IMRF contributions must also increase.
  - **FICA/Medicare, +\$22,500 or +4.6%:** The Federal Insurance Contribution Act (FICA) requires the employer to contribute to Social Security (6.2%) and Medicare (1.45%) based on the employees' pay. Therefore, like IMRF above, this expense is linked to Wages & Salaries. As the Wages & Salaries line increases, the FICA contributions must also increase.
  - **Workers' Compensation Insurance, +\$0 or 0%:** Workers' compensation insurance costs are expected to increase by 8-12% in 2026. However, applying this increase to the actual costs of 2025 (instead of the budgeted amount) results in a figure that matches the 2025 budget.
  - **Unemployment Compensation Ins, -\$9,000 or -37.5%:** The library plans to change from the contribution method to the reimbursement method for 2026. Current experience averages less than \$15,000 in actual unemployment benefit charges.
- **Operating Net Surplus/(Deficit) is \$0.00.** Maintained a balanced budget.
- **Capital expenses are planned for \$670,000.**
  - **Facilities Equipment, +\$0 or 0%:** No increase requested for 2026. These funds are allocated for ongoing shop and equipment improvements.
  - **Furnishings, +\$0 or 0%:** This figure is a placeholder for replacing worn or damaged furniture and shelving or buying new furniture or shelving as needed throughout the year.
  - **Technology Projects and Equipment, +\$10,000 or +20%:** Plan to replace network storage and some laptops.
  - **Building Improvements, +\$60,000 or +12.9%:** The planned building improvement expenses for 2026 are included below.

2026 Library Building Improvements		
Project	Budget	Details
Security Systems Improvements	\$20,000	Plan to add more security cameras to cover current unseen areas both inside and outside the building to further improve coverage and safety.
LED Improvements	\$25,000	Plan to continue updating old incandescent, fluorescent, compact fluorescent and metal halide fixtures to LED throughout Main Library. Working with Verde Energy.
Master Facilities Plan	\$100,000	Plan to relaunch project that was started with previous executive director.
Tuckpointing	\$360,000	Plan to tuckpoint open and deteriorating mortar joints, replace broken brickwork, rebuild west face of Lake St. planter, replace control joint sealant, window sealant and perimeter sealant.
Maze HVAC Improvement Plan/Design	\$20,000	Plan to begin exploring HVAC electrification and building efficiency improvements to Maze Library, create project scope and develop ROM budget.
Total Building Improvements Budget	\$525,000	

## Recommendation

Library staff recommend that the Board of Library Trustees review and discuss the first draft of the FY2026 budget, focusing on the Revenue, People, and Capital Expenses sections, in relation to their support of the library's mission, vision, values, and strategic priorities. Library staff then request specific feedback and direction so any additional changes can be incorporated into the second draft, which will be presented at the Board's regular meeting in September.

## Non-Sufficient Funds Check Fee Policy Review

**Type of Review:**

Routine review.

**Date of Last Review:**

July 16, 2002

**Context:**

This policy was designed to ensure the library was not financially burdened by the costs associated with processing returned checks. While the library used to process checks regularly, the reduction in fee-based services and the increase in electronic payment options have resulted in a significant decrease in the number of checks coming in to cover lost item fees or other replacement costs. We currently process fewer than four checks from patrons a year and have not had a returned check in the past seven years.

Library staff and our colleagues at Ancel Glink support striking this policy in full. Note that eliminating this policy does not change the library's ability to go through the typical collections/notices procedures for unpaid fees.

**Staff Committee:** Leigh Tarullo, Director of Collections, Linda Barnett, Manager of Accounting and Finance, Billy Treece, Director of Finance and Human Resources and Elsworth Carman, Executive Director.

**Committee Recommendations:**

Recommendation	Explanation
Eliminate the policy in full	The policy is largely obsolete due to a greatly reduced volume of incoming checks related to lost and damaged items, etc.

# ~~Non-Sufficient Funds Check Fee Policy~~

~~*Library Board approved July 16, 2002.*~~

~~Checks returned to Oak Park Public Library for non-sufficient funds, which were originally used to settle obligations to the library, shall be subject to a service charge of \$25.00 to cover fees that may be charged to the Library by its bank for the returned check and the Library's cost associated with dealing with the returned check.~~

# Surplus Property Policy Review

**Type of Review:**

Routine review.

**Date of Last Review:**

July 16, 2002

**Context:**

This policy outlines how the library disposes of property that is no longer useful to the organization in an ethical, efficient, and legal manner.

The current policy includes information about library materials and other surplus property. Our recommendation is to move the section about library materials to the Collection Strategy Statement (last revised November 19, 2024), which includes a section on deselection, while maintaining the Surplus Property Policy for items not from the collection.

Our colleagues at Ancel Glink recommended adding more specific requirements from the Local Library Act, along with references to the statute, to increase transparency related to disposal of items.

**Staff Committee:** Leigh Tarullo, Director of Collections, Billy Treece, Director of Finance and Human Resources, Matt Bartodziej, Director of Facilities, and Elsworth Carman, Executive Director.

**Committee Recommendations:**

Recommendation	Explanation
Remove Section A: Library Materials and move to the Collection Strategy Statement	The Collection Strategy Statement includes a section focused on deselection, and it seems logical to include information about the disposal of withdrawn materials in that policy.
Add “In accordance with the Local Library Act, 75 ILCS 5/4-16, when the Board has determined to sell or otherwise dispose of real or personal property that it deems no longer necessary or useful for library purposes, such property may be sold or disposed of according to this Policy” and specific disposal requirements by unit value	Incorporating more of the value-based requirements from the Local Library Act (with references to the statute) helps stakeholders understand the various procedural requirements triggered for items and properties with different values.

# Surplus Property Policy

*Library Board approved July 16, 2002. Revised August 26, 2025.*

## ~~A. LIBRARY MATERIALS~~

~~Library materials not longer useful for Oak Park Public Library purposes are routinely withdrawn. At the discretion of the Executive Director such cancelled withdrawn library materials may be given to other tax supported or not-for-profit educational or charitable institutions including the Friends of the Oak Park Public Library. Otherwise said materials shall be destroyed. In all cases, the Oak Park Public Library ownership marks shall be cancelled.~~

## ~~OTHER SURPLUS PROPERTY~~

In accordance with the Local Library Act, 75 ILCS 5/4-16, when the Board has determined to sell or otherwise dispose of real or personal property that it deems no longer necessary or useful for library purposes, such property may be sold or disposed of according to this Policy.

- ~~— Any other personal property having an individual current value of less than \$500 may, at the discretion of the Executive Director, be discarded, donated or sold to any given to other tax supported library or to any library system under such terms and conditions as the Board may determine. or not-for-profit educational or charitable institutions including the Friends of the Oak Park Public Library, or made available for sale to the public.~~
- Any other personal property having an individual current value of more than \$500 or any real property shall be sold only with Board authorization and in accordance with the Illinois Library Act. Personal property having a unit value of \$1,000 or less may, at the discretion of the Executive Director, be discarded, donated to other tax supported or not-for-profit educational or charitable institutions including the Friends of the Oak Park Public Library, or made available for sale to the public.
- Personal property having a unit value of more than \$1,000 but less than \$2,500 may be displayed at the library, and a public notice of its availability, the date of the proposed sale, and terms of the proposed sale will be posted.
- In all other cases, the Board will advertise the sale of real or personal property pursuant to the procedures set forth in the Local Library Act, 75 ILCS 5/4-16(4).

# Collection Strategy Statement Policy Review

**Type of Review:**

Routine review.

**Date of Last Review:**

October 6, 2022

**Context:**

This policy guides how the library builds and manages its collection to reflect the diverse needs of the Oak Park community.

This policy was last revised in October 2022. The revision recommended here reflects proposed changes to the Surplus Property Policy.

**Staff Committee:** Leigh Tarullo, Director of Collections, Billy Treece, Director of Finance and Human Resources, and Elsworth Carman, Executive Director.

**Committee Recommendations:**

Recommendation	Explanation
Remove Section A: Library Materials and move to the Collection Strategy Statement	Moving this section from the Surplus Property Policy to the Collection Strategy Statement aligns it more closely with the other details about how the library builds and maintains its collections.

# Collection Strategy Statement

*Library Board approved July 21, 2015. Revised June 27, 2023. Revised November 19, 2024. This related resolution was approved by the Board on October 6, 2022. Revised August 26, 2025.*

## Purpose

- The Collection Strategy Statement reflects the diverse needs of the Oak Park community and the library's strategic plan to facilitate anti-racism, engagement, learning, and stewardship.
- The library believes that collections are part of the broader content of a library: its experiences, spaces, materials, and collaborations. We seek to respond to our community's needs and aspirations through this content.
- Through our collections – in all available formats – we work to facilitate equitable experiences for engagement, education, and inspiration. It is our intention that collections – as curated content – have measurable impact on the community.

## Principles

- The library advocates for broad and meaningful participation in the library, including the sustained use of materials. It does not promote all of the ideas found in its collections or the discussions those ideas may inspire but provides the spaces and opportunities for those ideas and discussions.
- The library upholds the American Library Association's Freedom to View, Freedom to Read, and Library Bill of Rights. The following statements from the Library Bill of Rights pertain specifically to materials and information.
  - Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
  - Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
  - Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- The library protects the right of the individual to access information, even when the content may be controversial or unacceptable to others. Privacy and confidentiality are key tenets.
- The library recognizes and respects intellectual property rights, and follows existing copyright laws.
- The library supports open access as defined by the American Library Association. "Open access" refers to materials made publicly and freely available via digital repositories and archives, or research made available via peer-reviewed, open-access journals.
- We are committed to resource sharing at local, state, and national levels as demonstrated by our membership and participation in Reaching Across Illinois

Library System (RAILS) and System Wide Automated Network (SWAN), ILLINET (Illinois Library and Information Network) and WorldShare Interlibrary Loan. Our membership in consortia demonstrates our beliefs that engagement, supportive learning, and responsible stewardship are collaborative endeavors.

- We are committed to being good stewards of the community's tax dollars and community assets.

## **Scope**

The library develops a meaningful, evidence-based collection that is positioned to meet the needs of the community and supports equity, diversity, and inclusion. Evidence-based methods include traditional metrics (circulation, usage analytics such as downloads and website visits, and usage ratios); qualitative metrics (formal data such as customer feedback, program and services evaluations, and library-wide institutional assessment); and less formal inputs via conversations with the community and professional insights in the course of community engagement. Tools include collection analysis software to monitor collections according to use and provisioning; an ILS (Integrated Library System) to make meaning from the use and circulation of materials; and other software to assist required reporting for the Secretary of State's Illinois Public Library Annual Report (IPLAR). All of these methods are ways the library identifies and monitors the impact of materials in the community. We recognize and celebrate that Oak Park is unique, with broad and diverse interests. Each library location (Main Library, Maze Branch, and Dole Branch) is provisioned based on its purpose, space, and use patterns. We curate specific cultural and heritage collections that reflect the unique history and characteristics of Oak Park, including Special Collections, Art Collection, Local History, Multicultural, Transgender, and Oak Park Creates. We strive to be "format neutral", defining physical and digital collections and content as materials to which we facilitate access for and with our community.

## **Selection**

Selection is curation at its core. Material selection is defined by staff professional expertise and informed by equity, diversity, and inclusion; national and international news and events and publishing and social trends. Community recommendations are welcomed and are subject to the same criteria as any other material. The library does not collect textbooks, academic, or technical materials unless they are considered useful generally or supportive to the library strategic plan. The library adopts "digital curation" as an umbrella term for actions and strategies to provide stewardship of our digital assets. Digital assets include electronic resources, software and hardware, and devices. Digital curation takes into account the lifespan of the item, the product, and the product version to maintain currency, relevance, and sustainability.

As stewards of content, we carefully consider materials relative to cost, space, maintenance, safety, and customer interest. We ask such questions as: "Does the item have proven or potential interest to our community? Does it meet known or potential demand? Has it earned the attention of critics, reviewers, and the public to an extent that has created that demand? Are there similar materials already in the collection? To

what extent are the materials available elsewhere in the community and library consortium? Can we anticipate, based on our ongoing conversations and engagement, those items and experiences that delight and inspire our community members?" Selection means identifying – and measuring – the impact of collections in the community.

The Library acquires contemporary art by diverse artists. Once pieces become part of the library's Art Collection, the library has full responsibility for their physical maintenance and further development. The Curator of Special Collections is the person chiefly responsible for selecting and acquiring such materials, as well as deaccessioning materials as appropriate. The continued growth and development of the collections depends upon purchases and gifts.

### **Deselection**

To maintain relevant collections and content in all formats, the library must continuously evaluate and deselect materials. Criteria for withdrawing items include, but are not limited to: declining interest, poor condition, unnecessary duplication, or inaccurate or outdated information. Deselected materials may be donated to non-profit organizations, educational institutions, or discarded. These decisions are made to align with the library's strategic priorities of engagement, learning, and stewardship and final decisions are the responsibility of the Executive Director.

Library materials no longer useful for library purposes are routinely withdrawn. At the discretion of the Executive Director, such withdrawn library materials may be given to other tax-supported or not-for-profit educational or charitable institutions, including the Friends of the Oak Park Public Library. Otherwise said materials shall be destroyed. In all cases, the Oak Park Public Library ownership marks shall be cancelled.

The library will focus its collections in support of its purpose and enhance its public service through responsible disposal of unrelated items. The manner of disposition must be in the best interest of the library, the public it serves, the public trust it represents in owning the collections, and the scholarly and cultural community it represents.

### **Gifts and Donations**

The library accepts donations of materials or monetary gifts for purchase of items, equipment, or digital content for the library collection. The library maintains established funds for monetary donations. Donations may be tax deductible and that determination is not made by the library.

Material donations are accepted to specific curated collections including Oak Park Creates, Multicultural Collection, and Special Collections. Any material donations become the property of the library and may or may not be accepted into the library collection, based on library curation criteria. Once the library takes possession of an item, the library is free to make all decisions in accordance with its established policies

and procedures with respect to the retention, storage, processing, use, and deaccessioning of that item.

**Patron Statement of Concern**

The library offers a wide range of materials to meet the diverse needs of patrons throughout the community. Library patrons with concerns about a particular item are asked to complete, in its entirety, the Patron Statement of Concern form. The form will be reviewed by professional staff using the guidelines established by our selection criteria. We are committed to maintaining A Library for Everyone and a collection that serves the varying interests, needs, concerns, and perspectives of our wide range of patrons. Final decisions are the responsibility of the executive director.
